The Starting Line

REport by Jim Green

James Louis Leagan 1966 - 2014

James Louis Leagan, age 47 of Munson Twp. Loving son of Walter and Gloria Jean Leagan; devoted brother of Emma Ann (Donald, deceased) Meyer, Jeannette (Frank Horack) Wilmot, Frank (Mona) Leagan and Erna (Howard Mabel) Leagan-Mabel and dear uncle and great-uncle.

Interment at Western Reserve Memorial Gardens, Chester Twp. Online tributes and video at: www.gattozziandson.com.

I really find this portion of the REport hard to write. I have started a few times, but there is really no easy way to report the sad news. Neohio has lost another member. Each and every member we loose is very important to the region, whether it is by someone not renewing a membership, or as in this case through an untimely death.

On June 25, 2014 Jim Leagan passed away due to a heart attack. Jim was forty-seven years old and a very active member in Neohio. He was a trustee for a number of years and one of the three original members of the Nelson Ledges Safety Team. Jim also volunteered at the Cleveland Grand Prix as a firefighter and was also a firefighter for the Newbury fire department for 22 years. If you are not quite sure you know Jim, if you bought a fifty-fifty raffle ticket at Nelson Ledges in the past few years, you bought it from Jim. He will be missed.

On a brighter note! Our solo program is moving along quite well and the reports are in this month's *Blower*. There are times that they need a hand moving the Solo trailer from the storage site to the Solo site. If you can help, please give Bill Snow a call to offer assistance.

In June, Finger Lakes held their Westward Ho! Regional race at Nelson Ledges. This was the first SCCA event held under the new management. Yes, there were a few problems. There was

high grass, a problem with the water system and the recurring problem with pavement break-up. The water system problem has been repaired. I was told that a pressure switch failed which caused the expansion tank to fail. Those pieces have been repaired. The infield grass/hay has been mowed by a local farmer. As I left the track on Sunday July 6, he was loading the bales on trailers for removal. The complete track has not yet been cut, but the process is underway. Now the job will be to maintain the infield while cutting the rest of the track.

I have left the subject of paving to the last. On Saturday, July 5, there was a meeting at the track with Marc Drucker, his son Rick, Reed Kryder, myself, and a number of drivers and workers from other regions. We discussed what needed to be done immediately and what could be done by volunteers. It was a very successful meeting with positive ideas and attitudes. Repaving will be expensive. Plans are being developed. I know you are saying "Yeah I've heard that before." But I feel the motivation is there. Let's not give up.

Lastly, I have been asked where to find information about what is happening at the track as far as events and schedules. The current schedules and events can be found at www.motoseries.com in the forum section. It's a little difficult since

Solo Racing

By Chairman Bill Snow

Neohio hosted it's third Solo event of 2014 on Sunday, June 29th at Lakeland Community College. Not only was the weather hot, but so were some of the intra-class battles.

The results are posted on Neohio's website and on the next page.

July 13th we are back to Lake County Speedway for our next event. Lake County Speedway will be the place to be as we have our Solo event, Cleveland Drift will hold an afternoon drift practice event, and there's an all day car show there as well. This car show has drawn as many as 300 cars.

More details and on-line registration can be found at <http://bit.ly/713Solo>.

looking for car information on a motorcycle website is a little counter-intuitive, but that's only temporary. Within the next couple weeks there will be a new website up under www.NelsonLedgesRaceComplex.com with all of the information, so keep checking on that website.

I know this is rather lengthy and I have not answered all of your questions, but please be patient a little longer and I am sure we will be happy with the result.

Neohio Region SCCA, Inc
2014 DRIVER'S CHAMPIONSHIP SERIES

ELIGIBLE DRIVERS

Any member of Neohio Region, SCCA who holds a Competition License or a Novice Permit is eligible. Drivers must be Neohio Members on the date of the event in which points are earned. In the event of Dual Membership, Neohio must be the region of record at the time the event is run before earned points are recognized.

ELIGIBLE EVENTS

National, Regional, and Novice Drivers must earn points in a Minimum of any four (4) SCCA National and or Regional races. Only the best six (6) finishes will be considered although drivers may enter as many as they desire and submit the results there of. No enduros, pro-races, or races for money will be counted. Only the longest scheduled race of the sanctioned event will be counted. Drivers must write the Region sanctioning the event, and the Day and Date the race was held on the result sheet. Runoffs or other Class Championship races will not be counted.

BONUS POINTS

Any Neohio Driver will be given ten bonus points for starting any Neohio event, with the exception of the driver school and enduro, for a maximum of 20 bonus points.

POINTS

Points are awarded for each event entered as provided in the "GCR", plus one point for each car BEAT finishing in class. The highest point total in each class from January 1, 2014 through October 31, 2014 will be considered in declaring winners of the series.

Ties in the final points totals shall be resolved on the basis of each driver's record of first place finishers: then if necessary, second place finishers: then if necessary, third place finishes etc., until all positions contributing to the point totals have been considered. In the event the preceding does not resolve the tie, the winner will be the competitor who raced against the largest number of starters for the races in his or her class. In cases where further tie-breaking is necessary, ties will be broken on the basis of which driver earned the total points first. First place trophies only will be awarded to the winner in each of SCCA classes. All Neohio licensed competition drivers are automatic entrants, so there is no need to register for the series. All that is necessary is that drivers report non-Neohio event points earned to the Pointskeeper. Copies of all OFFICIAL result sheets for your race must be included in reporting of points earned (except for Neohio events which will be automatically, recorded).

DEADLINE FOR REPORTING POINTS IS

November 15, 2014.

POINTS POSTMARKED AFTER THIS DATE WILL NOT BE CONSIDERED FOR THE 2014 SERIES !!!!!

NO EXPRESS MAIL OR MAIL REQUIRING A SIGNATURE WILL BE ACCEPTED!!!!!

NO FAX AS WE NO LONGER HAVE FAX. NO EXCEPTIONS OR EXTENSIONS.
