The Starting Line

REport by Pete Sedlak

**Neohio
"SON OF SPOOK-
TACULAR" QUAD
REGIONAL
October 19-20**

Ahhh the Dog Days of Summer where were they? I know I personally didn't miss them, but they do serve some sort of purpose, right?

We are very proud to announce the formation of the Neohio Hall of Fame! The article on page 3 will describe the nomination process. The committee has come up with a list of nominee's, but they could have overlooked someone. If you know of someone that is eligible, please submit their name and remember to read the process and follow it, just saying Joe Smith should be in there will not get them nominated.

As this edition of the *Blower* reaches you, we are in the downward side of the 2013 Racing season. **But wait there's more!** We still have many

races in our Region to attend and plenty of action going on.

This month we kickoff our inaugural Rally Cross program with a "test and tune" on Saturday, September 14 at 11:00 at Nelson Ledges.

Our Solo program has it's 3rd event of the year at Lakeland Community College on Sunday September 15.

Going on right now is the Solo National Meet in Lincoln, Nebraska, and The SCCA National Runoffs at Road America September 16-22.

I want to extend Best Wishes to all of Neohio's members that are taking part in these events.

Continued on page 3.

Neohio Hall of Fame

Call for "Friends of the Neohio Hall of Fame"

Neohio Region is seeking "Friends of the Neohio Hall of Fame", both individuals and businesses, to financially support the Neohio Hall of Fame.

The costs related to the Hall of Fame will be for the awards, dinner tickets (2) to the Neohio banquet, and a permanent plaque which will list all inductees. We hope that Neohio members and business partners will see value in honoring our history

by supporting the Hall of Fame. Supporters will be mentioned at the annual banquet and listed on the Hall of Fame program. If a single supporter contributes a large amount, that person's name/company could go on the individual awards.

Anyone interested in being a "Friend of the Neohio Hall of Fame" should contact Dorothy Harrington, doubledlh@hotmail.com by October 31, 2013.

Neohio Hall of Fame Call for Nominations

Neohio Region has a rich history of our members bringing honor to the region and/or contributing to the greater good of SCCA racing. Based on that history, the Neohio leadership has decided to create a Hall of Fame honoring Neohio members. The first Hall of Fame class will be inducted at the Neohio annual banquet in Winter 2014. See below for details.

This is a call for nominations for the first class. Nominees can be drivers or workers. We expect the first class to have 10 – 15 members. Neohio members should send nomination letters (email messages) along with an SCCA bio of the individual to Dorothy Harrington, doubledlh@hotmail.com. The Hall of Fame committee (Dorothy Harrington, Duane Harrington, Pat Prill, Bob Roberts and Sherrie Weitzenhof) will review the nominations and narrow down the number of potential inductees based on the criteria, the nomination letter and the bio. In subsequent years, the final determination will be done by Hall of Fame members and the committee. The nomination deadline is **October 31, 2013**.

Please remember to update your e-mail address with SCCA National office.

This will ensure that all communications regarding Neohio events are forwarded correctly.

Purpose

To honor those who contributed to the region through their volunteer work or who brought honor to the region for their accomplishments.

Criteria for Membership

- Doesn't have to be a current Neohio member, but has to have made contributions to the region or SCCA while a Neohio member.
- The person spent a substantial amount of time as a Neohio member.
- For a driver, it has to be someone who has brought honor to the region for his/her accomplishments on the national or professional level.

Nominations

- A Neohio member has to make the nomination.
- The nomination must include a letter including why the nomination is being made + the person's bio with their SCCA related accomplishments.

Congrats to Greg Vandersluis-T4 who is the new Northern Conference U.S. Majors Champion!

Continued from page 1.

With the writing of this article we also need to make sure that you all participate in the annual membership meeting the 3rd Tuesday of November. "Why is this important?", you may ask. This is the meeting in which YOU decide who will be on Neohio's Board of Directors. The following positions are up for election:

- Assistant R.E. (1 year term)
- Membership Secretary (1 year term)
- Recording Secretary (1 year term)
- Treasurer (1 year term)
- 3 Trustee positions (3 year term)

Please make sure that you take the time to nominate someone you feel can help with the tasks at hand.

In order to be nominate, submit the person's name and have them sign a letter accepting the nomination. Nominations can be sent to Tara Oram our recording Secretary at toe002@gmail.com. We had some nominations at last night's meeting, but I failed to get the names of who accepted and I apologize for that.

Runoffs Entry List Flirting With Record Entries

TOPEKA, Kan. (August 28, 2013) – Two major attendance records are being threatened for the 50th SCCA National Championship Runoffs, Sept. 16-22 at Road America, as marks for both the total starters for an event and the total starters for one class are within reach.

The 50th celebration of the crown jewel of amateur road racing currently has 717 drivers on the entry list to compete in 28 classes. The current record saw 709 cars take a green flag at the 2004 Runoffs, held at Mid-Ohio Sports Car Course.

Included in that count are five open-wheel classes and 10 sedan classes that currently feature over 20 cars each.

Also under assault is the record for most starters in a race. A whopping 60 cars started the Spec Miata race at the 2010 Runoffs, and three classes are in range of that milestone for 2013.

Currently, 71 cars are on the Spec Miata entry list, including three former class National Champions. Spec Racer Ford, which is second all-time with 58 cars in 1993, currently has 54 cars on the entry list. Four of those drivers have already claimed at least one SRF crown. Formula Vee has 50 cars on the entry list, with an extraordinary eight of those drivers holding gold medals in the class.

In addition to the thrill of joining a prestigious group of SCCA National Champions, the 2013 entry list is boosted by the 50th running of the prestigious event, a champions provisional extended to past SCCA National Champions, and the conclusion of a five-year run at Road America. Beginning in 2014, the

Expanding

If you were at Mid-Ohio for the Pirelli World Challenge races you would certainly feel the recession has ended. Forty cars qualified for the featured GT/GTS races and 34 were on the grid for TC/TCB events. More and more cars made for some exciting racing with traffic and passing here, there, and everywhere.

Finishing fifth in the second TCB race was Shea Holbrook. Shea Racing has expanded this year from a car just for Shea to a 4 car team. The light Blue and white TRUECar machines have shown continually

improving results throughout the year. Of course, Shea continues her work to end Duchenne Muscular Dystrophy that affects her family and many others. Will Shea be the new Roger Penske someday?

Back at Nelson, an exciting event is returning bigger and better. Legendary Marques at the Ledges on September 7, builds on last year's inaugural event. Famous makes such as Mustang, Corvette, Jaguar, Lotus, Ferrari, Porsche, and others can enjoy an on track experience in one of four ability linked groups. Instructors will assist novices

and beginners. New this year is a chance to see these beauties in a car show format. Also, vendors and dealers will be there to display their wares. Top it off with an after party featuring a live band and the expanded Legendary Marques is sure to be a winner.

A famous prayer in the bible asked God to "bless me and enlarge my territory." But a lot of people forget the second part, "keep me from evil that I may not cause pain." We would do well to do the second part first.
