If you are surprised to see that the REport is being written by me, I'm sure you are not the only one. Unfortunately, Pete Sedlak has resigned as RE of Neohio Region due to some health issues. He did a great job as Regional Executive and I hope his health improves so he can again participate in the region activities. Thanks Pete for everything you did for the region.

The SCCA National Convention has come and gone. There are reports on the SCCA website about what transpired there. From what I have heard and read the new venue was a challenge, but the convention was successful. The BOD interviewed candidates for the position of SCCA President during the convention and Lisa Noble has been chosen as the new president of the club. Lisa has been a member of SCCA for many years and served in many different capacities. She was a racer, a member of the BOD and most recently was the interim president of the club.

April 19 will be the Nelson Ledges Safety Day, Driver physicals and Annual Tech. Bill Stewart is also planning a PDX for that day. There is a flyer later in the Blower.

On April 3, there was an organizational meeting for the Neohio solo group to start the setup for the upcoming season. Ralliegh and Velma Boreen attended the meeting to offer some

assistance and information. They have spent much time and many hours on the road visiting different regions and divisions already this year. Bill Snow has arranged for three different sites for solo events this year, Lakeland Community College, Lake County Speedway, and Medina County Fairgrounds. Look for the schedule of events for times and places.

I'm sure many of you have heard of the devastating fire in downtown Garrettsville, Ohio on March 22, 2014. A whole city block burned to the ground which included a clock shop, a hardware store, and a very active food bank. Plans are underway by Neohio and Nelson Ledges to put on a benefit race weekend to help food bank and Garrettsville non-profit organization help recover. The date has not been decided yet, but we would like to include all of the regions that have raced at Nelson Ledges in this event. Information will come together quickly for this event and I will try to get it out to everyone as quickly and completely as I can.

As always feel free to contact me with any ideas you have. The next trustees meeting will be May 6 at the Captains Club in Eastlake.

Information for Area 4 Members – March, 2014

Dear Area 4 Members,

Wow! What a whirlwind past 30 days. First, a visit to SCCA Enterprises in Denver, followed by a BOD Planning Committee meeting in Colorado Springs, CO. followed a few weeks later by five days at the SCCA National Convention in Charlotte, NC.: and then our GLD Spring Training Meeting in Findlay, Ohio. Here are the highlights.

Presidential Search

The Presidential Search Committee, on which I serve, has been meeting on a regular basis to review resumes and vet candidates. Final candidates were invited to address the BOD on Wednesday March 5th of Convention week. We hope to announce something very soon (look for the white tire smoke).

National Convention Awards

Great Lakes Division members racked up some impressive honors:

Northwest Ohio Region	Solo Cup Winner, Small Region
Todd Cholmondeley , Cincy Region...	Club Racing, Martin Tanner Award
Tom O’Gorman , Cincy Region.....	Solo, Driver of the Year
Jerry Cabe , Cincy Region.....	Member of Excellence
Bob Hubbard , W. Michigan Region....	Hall of Fame
Pete Hylton , Indianapolis Region.....	Hall of Fame

As the *Member of Excellence* award winner, **Jerry Cabe** also receives an all-expenses paid trip to any motorsports event in the world; pretty cool huh? And **Pete Hylton** looked great wearing an incredible Scottish kilt – as only an MG lover could. He is moving to England and then retiring in Scotland and would welcome visits. Congrats to our winners

March BOD Meeting

The National Convention is always a very busy meeting time. We were active in the following activities:

- Reviewed Staff reports;
- Reviewed financials; we beat our planned loss due to excellent investing of reserve funds again
- Met with all Program boards; SEB, CRB, RXB and RRB
- Participated in various Town Hall meetings
- Met with Regional Executives and/or their assigns (in no particular order, other than proximity to my seat!):
 - **Steve Alger**, Saginaw Valley
 - **Dayle Frame**, Western Michigan
 - **Jim Suhr** and **Jerry Stem**, Western Ohio
 - **Barry Baker** and **Larry Hall**, Ohio Valley
 - **Dave Dusterberg**, Indianapolis
 - **Jamey McDaniel** and **Dave Melton**, Kentucky
 - **Tony Brown**, Cincinnati
 - **Patrick Barber**, Detroit

My apologies if you were in the room and I missed you; thanks for attending.

SCCA Website

There is an upgrade coming soon to the SCCA website. We all agree that information is sometimes difficult to find. Hopefully, these improvements will make the site much more user friendly. Watch for it and let us know your thoughts.

FIA Worker Accreditation

There is a movement afoot by the FIA to train and accredit F & C workers. Obviously, the SCCA is one of the largest and well-trained volunteer/worker corps in the world. But, F & C is organized differently in every area of the country. What impact this movement might have on us is unclear at the moment; just wanted you to be aware of it.

Membership

SCCA finished 2013 with 42,235 members; a 1,756 or 4.3% gain from 2012. The Solo program continues to lead the Club in attracting new members with 37%, Club Racing is next with 32%, Pro with 16%, RallyCross with 8% and Road Rally with 7%. From an age standpoint, 54% of the new members and 34% of all members are 35 years old or younger.

So, you ask, how does this affect me? Well, just this small uptick in members returned about \$50,000 more in dues to our Regions. That is right. More new members, especially *participating* members, add to the spiritual and financial health of our club. So, let's get out and recruit! Topeka has all kinds of tools to help you. Need some help? – Just ask!

MSX Show

This year, our National Convention was held in conjunction with the Motorsports Expo Show (MSX). It is always dicey launching a new show. Unofficially, I heard 82 booths were sold. It didn't take long to walk through the exhibits, but the speakers and seminars offered visitors a good sampling of race related topics. The feedback was good and we expect this show to expand greatly in the future. Thank you Mazda for sponsoring the snacks and beverages Friday night!

National Corvette Museum Motorsports Park

With everything else going on this month, I almost forgot to mention that Interim President **Lisa Noble** and I met **Mitch Wright**, Manager of the new NCM MSP, at the museum in Bowling Green, KY a few days before the sinkhole (it wasn't our fault!), to discuss SCCA's participation at the track. Good progress was made and we met Mitch again at the National Convention to clarify some details about possible partnerships. We are getting close to bringing these ideas to the BOD for action. The track will open in September 2014, and will include the road race circuit and 16 paved acres for Solo.

SCCA Enterprises

One of my assigned duties this year is to be the BOD Liaison to SCCA Enterprises. I visited the Denver shop on February 13th along with SCCA Chairman of the Board, **John Walsh**. I also met with the entire Enterprises Board at the Convention for about 3 hours. These are exciting times for Enterprises. The old 1.9 L Ford motor is reaching the end of its life and a new 1.6 L motor from Ford has been designated to replace it. The new motor is much lighter and has more horsepower. Initial testing has shown the new GEN3 motored cars to be much faster than current cars (like in 4 seconds a lap). The conversion process will begin this summer with all cars converted by 2018. Ramping up for this change, securing good parts vendors, while providing excellent technical support, is the challenge. The staff, led by **Erik Skirmants** and **Mike Davies**, along with the Enterprise Board, had done a fantastic job getting ready for this program. Let the good times roll.

Spring Training, the ides of March

Thanks to **Dan Hodge** and **Val McCammon** for putting on an excellent GLD Spring Training Event. We had over 90 attendees and it was especially sweet to have participation from our Solo and RallyCross programs along with our Club Racing folks. Thanks also go to **Raleigh** and **Velma Boreen**, **ZB Lorenc**, **Ray Jason**, **Steve Kammeyer**, **Rhonda Knapp**, **Lauri Burkons**, **Larry Dent**, **Mark Sommer**, **Barry Baker**, **Mick Walker**, **Jerry Cabe**, **Dorothy Harrington** and special guest **Doug Gill**. Again, apologies if I missed any of the presenters and organizers. We are already planning next year's meeting at the same venue.

SCCA Foundation Raffle

The SCCA Foundation announced a new raffle this year – an all-expense paid VIP trip to the US Grand Prix in Austin, TX plus five usd grand (\$5,000). Go here for more information: <https://scca.raffleready.com/off-to-the-races-raffle>

As always, should you need any assistance, please let me know.

Yours for a better SCCA,

Steve

- Stephanie will contact Mark Connolly and see what information she can find out, as we have obviously committed.

MEMBERSHIP: Currently at 508 members with 12 expiring 1/31/14. Many names are racers that may delay their renewals.

- Possibly doing some sort of RallyCross event/Track Cross event at Nelson that could be tied into a charity? Will research.

Neohio Region, SCCA
SPECIAL MEETING Minutes | March 18, 2014

MEMBERS PRESENT: Jim Pracker, Jim Green, Tara Oram, Peggy Dietz, Dorothy Harrington, Jeff Blumenthal
Jim Leagan, Stephanie Hahn, Roland Hahn, Scott Lunder, AJ Roderick
EXCUSED MEMBERS: Pete Sedlak, Greg Vandersluis, Dan Koplow
GUESTS: Welcome to all.

Jim Pracker called the meeting to order at 7:11 p.m. and turned the meeting over to Jim Green.

NEW BUSINESS

This meeting was called for two imperative issues. One as the board received notification that Pete Sedlak resigned his position as Regional Executive of the Neohio Region effective March 13, 2014. Secondly, we need to move forward quickly with information and approvals regarding the joint effort with Steel Cities for the Driver School on April 26-27 at PIRC.

- Jim Green will step into the role of Regional Executive and his position of Assistant RE will not need to be filled for this session.
- Stephanie was able to talk with Mark Connolly and acquire information regarding the Driver School. Mark stated that Pete said the board approved this in November and that is why it moved forward. We had not received that information and not voted on it.
- The board feels that we need to participate to keep a working relationship with Steel Cities and PIRC.

MOTION to be retroactive agreeing that Neohio participate and join Steel Cities in the execution of the Driver School. *Blumenthal / Leagan – Approved.*

- Participation will also show to the National office that the NorthEast Division and Great Lakes Division can work together, and this should benefit all parties down the road, including us for our Quad event in October.
- Rumors are out there regarding some future pricing/budget amounts for outside specialties for our Quad event at PIRC. Board going to keep an eye on those as they become closer and possible discussions may have to be had at our budget time.

MOTION to accept and pay the invoice received from Steel Cities for our deposit for the track deposit. *R. Hahn/Roderick – Approved.*

MOTION to accept facility rental contract as presented by Steel Cities. *R. Hahn/ S. Hahn – Approved.*

MOTION to accept proposed budget as presented by Steel Cities. *R. Hahn/Leagan – Approved.*

- **DISCUSSION Regarding Motion:** In reviewing the budget presented by Steel Cities, the board feels that their budgets are reasonable and based on information previously stated and in conversations with Mark, may be on the low side for participant attendance. We think any loss at this point would be minimal.
- Whoever is going to act as co-race chairman should request all copies of invoices presented for payment by Steel Cities so that we conduct business in a true split effort, per the request of Peggy.
- Jim Green stated he would be willing to step into that role that Pete had initially accepted and act as co-race chairman.
- Jim will talk to Mark to see what they still need and how they plan to invoice us and send close out documents for Peggy.

We should do an email blast if possible prior to the event for our drivers' information for the double regional to be held on Sunday. Will be good opportunity for first event for many and still allow some points to be gained for Runoff qualifications if that is what they are seeking.

- **MOTION** to adjourn at 8:07p.m. – *R. Hahn/Blumenthal - Approved.*

Respectfully submitted: Tara Oram
