The Starting Line

Report by Dave Lancaster

Now I know it's almost race season, the flowers are blooming and I hear the motorcycles and hot rods in my neighborhood coming out. I added to the noise level this past week by starting my car. I thought I was a rebel by getting my little Spec Racer out and running it up to temperature, then my neighbor drove down the street in his Cobra Replica and drowned out my car in my own driveway. No matter, it still felt good to get it out and have the car out in the sun.

Soon we will be out at our events having fun again in Northeastern, Ohio. First up are two volunteer days we need our members support with. On Saturday April 24th we have a Tire Stacking day at Nelson Ledges Road Course. Lunch will be provided by Nelson Ledges management for all volunteers. Please wear proper attire and safety gear.

On Sunday April 25th the SOLO Team will be hosting a Trailer Maintenance Day at Bill Crowe's house in Painesville, OH. All members are welcome to attend. For directions please contact Bill Crowe or Brandon Anderson our SOLO Chair.

Then it will be time to go racing with the NEOHIO Region with our first SOLO Event on Saturday May 2nd followed by a Track Night in America Event on Wednesday May 5th. Next up on May 15th will be the Ohio Milk Run Rally put on by NEOHIO's Road Rally team. These events and our volunteer days are great ways of getting out to see you racing friends and put us back into the groove for our 2021 season.

As summer officially begins we have our two big events at Nelson Ledges with a Time Trial and our Divisional Club Race in July 10-11 at the same time we will be hosting a full season of SOLO Events. I can confirm by supporting these committees that we will continue to host well organized and fun events. The need from our membership is promoting all three of these events for more entrants and additional volunteers. As members, please help us get the word out that Nelson Ledges Road Course and NEOHIO are back and we have many ways to get on track in 2021.

To the people that have worked hard this off season, I want to thank you for giving up so many of your evenings to plan some fun activities for our members this summer. Members when you see these names on the entry forms of your events, please give them a moment of recognition by thanking them for their efforts.

Let's get out and have some fun with our cars in 2021!

Notes from the Director's Chair Area 4 Director Update for April, 2021

Another busy month as we all get ready for the upcoming season.

Probably the biggest highlight of the past month was our GLDiv Spring Training meeting held on 3/7. Due to continued pandemic restrictions, the event was held remotely. Many kudos go to Val McCammon as she made all the arrangements. She had a lot of help from her husband Pat and Velma and Raleigh Boreen. The four of them acted as moderator and guided a flawless day of sessions. There were over 100 people who attended a session during the day.

Work continues on the revised GLDiv website. If you are an RE, Race Chair, etc. and want your event posted on the divisional website's calendar, please send the pertinent details (date, location, contact person, registration link) to Rob Dietz (gldscweb@gmail.com). He's the webmaster and will be able to collate the divisional events into the calendar.

The usual monthly meetings occurred in March. It started off with the Club Racing Board ([CRB](#)) meeting on 3/2. There was the usual agenda of 100+ letters that the CRB dealt with.....most fairly mundane. The biggest item was the introduction of the tentative schedule for the Runoffs. Eric Prill said a survey of drivers indicated that over 1000 will attend the Runoffs at Indianapolis Motor Speedway ([IMS](#)) this year. This puts pressure on them to generate a schedule that meets a wide variety of criteria (multi-class drivers, track limits, daylight hours, etc.). It has since been released and can be found [here](#). There's nothing quite like IMS and I know I'll be there. I had the pleasure of racing there back in 2017 when the Runoffs first visited the facility. Please consider attending in some form (worker, spectator, crew, etc.) as I am sure you will have an excellent time. It'll be held from 9/28 to 10/3 and other details about the event can be found [here](#).

We had a [BoD](#) meeting on 3/22. As usual, there wasn't anything too flashy that came from this meeting. We discussed the financial report submitted by Jeff Dahnert. Things look pretty good so far this year. The steps taken last spring as the pandemic was taking hold have continued to bear fruit. The President (Mike Cobb) submitted his update to us a week beforehand and we discussed that a bit during the meeting. There were a couple of "hush, hush" items that I cannot comment on at this time. Nothing too terribly earth shattering and I'll let you in on it when the time is appropriate.

One nice thing to come from the meeting is that we are planning on meeting face to face in late July (7/30 – 8/1). By then, it will have been well over a year since that occurred. We'll be heading to Kansas City for this, and I can't wait to see my fellow Board members. I've only met four of them over the years (Albin, Dowie, Isley and Jankovskis) so this will be quite exciting for me. Another BoD meeting will take place in December (12/3 - 12/5) and it will also be held in Kansas City.

The next night (3/23), there was a RallyCross Board ([RXB](#)) meeting. This group is diligently working on expanding and raising the profile of the program. Among other things, they are working on coordinating their National Championships which will be held in our backyard. They'll be held in Chillicothe, OH on 10/15-10/17. Details about the event can be found [here](#).

and liability aspects of bringing them into the fold. The SCCA wants to be the leader for the current (yet another pun) and next generation of automobile enthusiast and EVs will definitely be a part of that future. As an EV owner and competitor, I am VERY excited to be in on the ground floor as we move into this realm.

Director's Update continued

Events of the past month have had an impact on my summer schedule. Here's my revised (and still tentative) schedule:

1. 4/29 - 5/2: STC @ PIRC (Super Tour)
2. 5/22, 5/23: OVR @ MidOhio (Major)
3. 6/4 - 6/6: Champ Tour Solo @ Grissom
4. 6/19, 6/20: WMR @ Grattan (Double Regional)
5. 7/16 - 7/18: Time Trails National Tour @ GingerMan
6. 7/23 - 7/25: Pro Solo @ Toledo
7. 7/30 - 8/1: BoD meeting in Kansas City, MO
8. 8/21, 8/22: WMR @ Grattan (Major)
9. 9/6: WMR Solo @ Grattan
10. 9/24 - 10/3: Runoffs @ Indy
11. 10/15 - 10/17: RallyCross Nationals in Chillicothe, OH
12. 10/24: WMR Solo @ Grattan
13. 10/31: MBR Covered Bridges Road Rally
14. 12/3 - 12/5: BoD meeting in Kansas City, MO

Woof! This will keep me busy. See you at the track.

Thank you for your time and I look forward to hearing from you soon.

JOIN THE STEWARDS PROGRAM

Most weekends, you go to the track, you prep your car, you run your sessions, and you go home with a big smile. If you ran well and without incident, you never saw those people with notepads and clipboards wanting to talk to you – the stewards.

Maybe you are a volunteer, working a specialty, and you want to do more or something different.

Who are the stewards? We are responsible to the event region, SCCA, and the entrant to make sure the event runs smoothly within the rules (per the GCR and event supplemental regulations).

It is a tough, thankless job, but somebody has to do it, so it might as well be YOU.

Are you ready to help with the operation of an event, give back to the SCCA community, and be part of the leadership of Club Racing? Then contact us!

Volunteers Needed for Track Night in America May 5 at Nelson Ledges!

Gas Cards for the first to sign up!

**This is a low pressure event that starts at 2:30 and you
are off the track by 7:30.**

See Page 10!

Help Wanted in Timing and Scoring – B+B Nick

Have you ever considered being part of the exciting world of SCCA racing? Want to have a great view of Start/Finish so you know who is leading? Like someplace that is out of the crazy Northeast Ohio Weather? Looking for a place known for having the BEST snacks (just ask the stewards)? Can you operate a computer or do you prefer a paper and pencil job?

T&S is looking for help at all NEOHIO's track events held at Nelson Ledges Road Course. The Time Trials, May 29-30, is a great time to learn something new or just brush up on your skills. Orbits Operators (computer) are always needed and during the TT's would be a great time to learn. **During The Longest Day of Nelson, June 11-13, T&S desperately needs your help.** Friday night is qualifying and night practice. The race starts Saturday at 1:00pm and goes for 24 hours. We are planning on 4-hour shifts for workers; you can sign up for as many shifts as you want. NEOHIO also has another race July 10-11 that could use your help.

Adults and minors are welcome and you don't have to be a SCCA member to work T&S. Looking forward to seeing you in the T&S tower at Nelson. If interested, please contact:

Bob – rhnick38@gmail.com or 440-789-8995 to leave a message.

Brenda – brenda.j.nick@gmail.com or 440-789-8679 to leave a message.

Job Descriptions Below:

Taping – write down car numbers as they pass Start/Finish.

Orbits Operator – uses a computer to make sure the cars register as they pass Start/Finish, and keeps track when things happen such as yellow flag, checkered flags, etc.

Orbits Results – publishes the provisional and final results of sessions, also hourly updates during the Longest Day.

Outpost – prints out and post results from sessions or hourly updates. For Time Trials, distributes rental transponders; also verifies return of said transponders.

Charter – plots cars on a chart in position and laps completed (only for races).

NEOHIO Region would like to extend our thanks to Summit Racing Equipment for their longstanding support of NEOHIO Region and motorsports activities in our area! Please show your support by being a customer of our home-grown speed shop.

ANNUAL TECH INSPECTION AND DRIVER PHYSICALS Due to the ongoing Covid-19 issues we will not be having a group Annual Tech & Driver Physical Day this year. If you are in need of either please contact fastlady1026@yahoo.com to make individual arrangements. **Give yourself at least two weeks before your first race for an appointment for your tech.**

The Longest Day of Nelson Ledges Has Been Postponed Until 2022

The NEOHIO Region of SCCA, Inc. and Nelson Ledges Road Course have agreed to postpone this year's Longest Day of Nelson Ledges until the summer of 2022. We learned a lot during this process and will be working hard to make the 2022 Event bigger and better than the one we could have had this summer. Please look for information to be published early this coming winter.

Thanks all for your support. **Dave Lancaster, Regional Executive NEOHIO Region SCCA**

The NEOHIO and Mahoning Valley Regions are supporting four Track Night in America Events at Nelson Ledges Road Course in 2021 by providing Flaggers and Emergency Services Volunteers. **TNiA** events are intended to introduce SCCA to non-members and provide current members an easy avenue to get on a racetrack in a safe, organized environment. The benefits to our Region are increased memberships and more activities for Nelson Ledges. To encourage members participation, **we have \$25 gas cards for each event for the first 12 volunteers that respond** to Kurt Stevens our Flag Chief or Jon Schneider our Emergency Services Lead.

Dates are: Wednesday May 5th Wednesday June 2nd Tuesday July 20th Tuesday August 17th

Woody Hinkle Remembered

Woodrow "Woody" Hinkle passed away on April 12th, 2021. Born in 1944, he is survived by his wife Susan "Suzy", son John, daughter-in-law Lisa and two grandchildren.

Woody and Suzy moved to Chardon, OH shortly after they were married. Working at a Chevy dealership, Woody met Bob Beinerth, a NEOHIO region member who raced a B Production Corvette. Woody started out crewing for Bob at some SCCA and USRRC races. Later he met Jerry Peterson working at the same dealership. Woody also crewed for Jerry on his "Bad Banana" Camaro competing in the original Trans-Am series.

According to John, Woody and Suzy joined SCCA in 1974 and started flagging with the F&C team. At the peak, they would attend 25 – 30 events a year. Woody was at every one of the original Longest Day of Nelson series races.

Another passion was Autocrossing, running in everything from a Honda 600 to a Camaro. Woody was Solo Chair in the 1975-76 time frame. He also chaired or helped chair Solo's on the original short course at Nelson Ledges, events that ran the Carousel backwards, and events at Painesville Speedway.

Woody was a NEOHIO Trustee in the '80s where he participated in spirited meetings with people like Cleo "Ma" Beasley, Vic Todia and Sam Oram. Woody, along with his family, has been an important part of our racing family for many years and he will be deeply missed.

The photo shows Woody holding son John at Nelson Ledges circa 1970.

NEOHIO Region, SCCA Presents The

Ohio Milk Run Rally

SATURDAY May 15, 2021
Dover, Ohio

The Ohio Milk Run is a straightforward afternoon/ evening Time-Speed-Distance (TSD) road rally counting toward both the SCCA Great Lakes Division Rally Championship, and the SCCA National Touring Rally Championship (Divisional Rally).

All significant turns will be clearly identified and mileage. The challenge for all teams will be to stay "on time" through 150+ miles of secondary roads in Holmes, Coshocton & Tuscarawas Counties. Your car may get dirty/ dusty. You will smile.

This rally **will use the Richta automated timing and scoring system**. Each team must carry a "smart" phone or tablet (Android or iOS) running the current version of the Richta Competitor "app". If you have not used this technology in a rally before, please take a few moments to visit Detroit Region's Richta app information page at <http://drscga.org/rally/using-the-richta-competitor-app/>.

START LOCATION: Bob Evans, 895 Commercial parkway, Dover Ohio

TENTATIVE SCHEDULE (all time EDT):

Saturday, 8 May 2021, 23:59 – Early entry cutoff.

Wednesday, 12 May 2021, 20:00 - Registration closes.

Thursday, 13 May 2021, 20:00 – Start order & General Instructions e-mailed to all entrants

Friday, 14 May 2021, 19:30 – Competitor briefing & Novice Q & A session (via Zoom)

Saturday, 15 May 2021 –

10:30 – Registration opens, route instructions distributed

11:31 - Car #1 Starts Rally

18:30 - (approx.) Car #1 Finishes Rally

REGISTRATION: <http://msreg.com/OMR2021> (www.motorsportreg.com)

NOTE: NO "WALK-IN" ENTRIES WILL BE ACCEPTED AT THE START.
