## The Starting Line

REport by Dave Lancaster

The 2020 Ohio Winter Rally was fun and challenging. Competitors had to deal with dry, wet, gravel, and snow covered roads. My driver was Neohio Trustee and Secretary, Ray Glover, who on one gravel back road, got us airborne as I was looking down doing math. That got my attention! Who says Road Rallies are not fun? They obviously have never tried a Greg Lester event. Jeff Arendas did a fantastic job promoting this event, as we had over 20 entries participate due to his efforts.

In January, I was part of a team of Neohio members that attended the SCCA National Convention. Joining me was Duane and Dorothy Harrington, Peggy Dietz (Dual Member) Lauri Burkons, Bill Steward (Dual Member) Bob MacDonald (Board Member). The SCCA Convention was well-run and one of the best attended with almost 500 members present. Most attendees were region leaders, divisional leaders or event workers. The seminars and Town Hall meetings that I attended were beneficial and should help me run the Region.

Neohio was highly recognized at the banquet with three of our active members, Cat Kiser, Dave Weitzenhof and Sherrie Weitzenhof inducted into the SCCA Hall of Fame. All three made excellent presentations and it was great seeing the many pictures and

stories of our Nelson Ledges Raceway up on the screen. Neohio stole the show! I can't wait to get back to racing at Nelson Ledges Raceway!

The Board has been very active scheduling additional events for 2020. We have partnered with our National office for additional Solo and Time Trial events, as well as our Region's own events. We need our members help to run these events smoothly. Please email the following if you would like to get more involved as a volunteer or participant with our activities this summer:

# Ohio Winter Rally

February 1, 2020

Unlike in years past, the 2020 Ohio Winter Rally had no competitors that:

- sent a Jeep into low-Earth orbit,
- parked a car on the roof while rushing to regain position after a late departure from the meal halt,
- entered a stage rally prepared car shod with gravel rubber, and boasted about their imminent victory, only to run out of traction part way up the first icy hill - while those that had the good sense to mount tires with the Hakkapeliitta trademark molded into the sidewalls waved as they drove by,
- turned onto an unplowed railroad right-of way that closely parallels the rally route,
- found an old transmission embedded in a snow bank - with their oil pan,
- encountered the frozen carcass of a very large pig blocking the road,
- came within millimeters of doing substantial body damage to a very expensive SUV borrowed from the manufacturer's press pool,
- dropped their right wheels into a ditch hidden under the snow, only to have the next two teams follow them into the same ditch.

In short, 2020 was possibly the least memorable Ohio Winter Rally ever. No bashing through knee-high snow drifts. No endless ribbons of wet ice. Good visibility. Boring, right?

Even without Nature's wrath, and with minimal driving challenge, it was a good event. Twenty-five teams, whose experience ranged from past National Champions to first timers, entered. Twenty-four teams started, 24 teams finished. It was most heartening to see the large turnout of enthusiastic Novice teams. Most seemed to enjoy their nocturnal jaunt through northeast Ohio's Lake Erie "snowbelt". We look forward to seeing them at future rallies!

The rally started and finished at the Redhawk Grille in Painesville. The 165 mile, sort-of-clockwise route visited many familiar haunts: roads with names like Cascade, Harpersfield, Mill Creek, Doyle, Kirk, Warner Hollow, Sweet West, Nurse, Swine Creek, Hayes...

This was the first time that Neohio has used the Richta automated timing system instead of manned controls. The Richta system uses cell phone GPS functionality to automatically record when teams arrive at each checkpoint. It was developed by past SCCA Road Rally Board Chairman Rich Bireta, and is quickly gaining acceptance around the country.

The Ohio Winter Rally has enjoyed a long history of support from the local amateur radio community – a tradition started by former rallymaster Tom Kimball, KA8BZB. This year, Pat Karl, N8ONI, and his associates set up a temporary radio "net" covering the entire course. "Hams" also performed course-opening and sweep duties.
