## The Starting Line

**Report by Dave Lancaster**

Well 2020 was a great year for the NEOHIO Region. We continued to grow our motor-sports activities in Northeastern OH, even with the challenges that the COVID-19 Pandemic brought us. It was impressive to watch so many members step up as participants and workers to make these events a success. We saw our younger members working side by side with our more experienced members in developing new ideas and improving events. It is this teamwork that will make the NEOHIO Region stronger.

For 2021 the Program Managers have already started planning with their teams. NEOHIO will host a Club Race, Time Trials, a full SOLO Season, Rally Cross events, and Road Rally events. In addition to these Programs, we will operate The Longest Day of Nelson Ledges in 2021. The amount of publicity and excitement around The Longest Day of Nelson is overwhelming. Nelson Ledges is back and better than ever and the NEOHIO Region along with SCCA are an important part of this return.

First to get started with 2021, we will recognize the success we had in 2020 and on February 13, 2021 with the **NEOHIO 2020 Award Celebration**. This year's event is a virtual format and there is no cost to attend. It was a tough year for many and this is a great way to support the region and those that worked hard during the year.

### **As for 2021 we need our members support in three areas:**

1. **Participate** – If you have a car or know of someone that is competing, get involved. We need participants and crews for these teams to come out and enjoy the work and planning our region is doing. If you do compete, try something new. Since getting more involved with the region operations, I have participated in Road Rally and RallyCross events and have had a blast in each.
2. **Work an Event** – These events don't happen without our volunteers. You don't have to be an expert, and we always are looking for new faces. Contact any Specialty Chief or Program Chair and they will help find you a place that is right for you. We especially need help for **The Longest Day of Nelson Ledges**. This is a big event for the Region, SCCA, and Nelson Ledges. Help is needed in the following Specialties: Race Administration, Emergency Services, Pit Workers, Timing and Scoring, Tech and Flaggers. Get involved by sending an email to: [longestday21@gmail.com](mailto:longestday21@gmail.com). and we will find a place for you.
3. **New Locations** – NEOHIO is looking for new places to host Road Rallies, Solo and RallyCross events in Northeastern, OH. All ideas are welcome and if you know the landowner that's even better.

**Have a great off season and I hope to see all of you at one of our events in 2021!**

## NEOHIO SCCA 2021 Annual Awards Program

**February 13 @ 7:00 PM**

A long-standing tradition in the Neohio Region SCCA is the annual Awards Presentation, recognizing the accomplishments of our members over the preceding year. Typically this is done in a Banquet format where many of us can get together and see each other in the “off-season” (except it’s in season for rallyists). Due to the ongoing restrictions on large gatherings in response to COVID-19, the Trustee’s have found it necessary to cancel this year’s Banquet.

However, it’s very important to our Trustees and Program Leaders that we still recognize some outstanding competitors and contributors that kept our events vital in 2020. To that end, we have planned a Virtual Awards Celebration. This will be an on-line event to take place during cocktail hour on February 13<sup>th</sup> at 7:00 PM. Our goal is to keep the program to an hour or less, so we hope everyone will join in and have some fun!

Like the Annual Meeting, we will use Zoom as our Venue again. All are welcome, there’s no fee to participate. Here’s the login information:

<http://bit.ly/neohioscca>

(the link above uses a lowercase letter “L”)

Not familiar with Zoom? There are several websites which describe the Zoom process. Check them out!
