The Starting Line

Report by Dave Lancaster

The November Zoom Membership Meeting was a success with 26 members attending the meeting. The presentations by our Program Chairs gave members some insight as to where we are going as a region and the increased number of competition events we will hold in 2021.

I started the meeting with the RE Report and spoke about the strength of our region. Membership grew in 2020 to 525 up from 490 in 2019 which is impressive for a pandemic year. We continued to develop our Solo, Time Trial, Road Rally, and RallyCross programs. Club Racing was brought back to Northeastern Ohio as we hosted two successful events at Nelson Ledges Raceway. What I am most proud of is this Region's ability to produce volunteers to run and grow these events and the number of members who are stepping up in new roles to help with our future development in 2021.

Joe Blaha our Treasurer was next and spoke about our 2020 finances. The 2020 Balance Sheet had a small increase over 2019. This is important as our expenses have increased due to extra supplies needed for COVID-19 and expenses incurred by re-entering Club Racing. Most of our Programs earned a small income or broke even for 2020. Joe then explained how our Region's Revenue benefited due to the increase in membership. Though the BOT has agreed that we won't publicize our finances, any member is welcome to our see them and they are always provided Board of Trustee Meetings.

The next presentations were done by our Program Chairs. They were a little more exciting than what Joe and I got to talk about each Chair has already started to work on 2021.

The biggest hit of the meeting was Brian Ross, President of Nelson Ledges Road Course. Brian is also a NEOHIO member, so he is always welcome to attend future meetings. Brian was introduced during the Nelson Ledges Council presentation. It was great to hear from Brian describing all the great new investments the track has in store for us during the next few years. It was even better hearing from our members praise Brian for the hard work and capital he has invested to improve this Nelson Ledges. I spoke with him after the meeting and he really appreciated the comments and we immediately moved to asking us to do more events in 2021.

We closed the meeting with Pat Prill announcing that the 2020 NEOHIO Awards Banquet will be virtual on Saturday February 13th. We will have

more details out soon. Please plan to attend this year's banquet to tip your glass and recognize the top volunteers and participants that made the 2020 NEOHIO season a success.

The December meeting came up quickly for our Board Members. It was the last meeting for some Officers and Trustees and we are going to miss them. The meeting was also the night of the big snowstorm in the area and many people were without power or internet so they could not attend. How ironic, we can't meet in a person, then technology fails us.

The meeting was a success as the plans were unveiled for our biggest event in 2021 the return of The Longest Day of Nelson Ledges '21 were revealed. The club has worked hard to build a relationship with Brian Ross Racing and the fact that he asked to partner specifically with NEOHIO Region to bring back this event is an honor.

I understand that there are a lot of questions about this event and we are to new into the introduction to have all the pieces in place. We are putting together a Race Committee to make sure the event is a success as well as respects the history of the original Longest Day Races.

The Longest Day of Nelson Ledges is back in 2021!

You may have seen some posts lately with the tag “Let’s get the Band Back together” slogan. It is now official. Brian Ross Racing has asked NEOHIO Region to help bring back the legendary Longest Day of Nelsons 24-Hour Race on June 11-13, 2021. This is an exciting time for the NEOHIO Region, SCCA and Nelson Ledges Raceway!

The race will be a 24-hour event starting on Saturday at 1:00pm and running straight through to Sunday afternoon. Practice and Qualifying will be held on Friday. Entries will be limited to 50 competitors competing in 5-7 classes. The classes will be designed to be inclusive of production-based cars built to specifications of SCCA as well as other organizations. Rules and classing specifics will be available in the coming months. The NEOHIO Region, SCCA Inc. will be operating the event in a collaboration with the SCCA National Office. Brian Ross Racing will be the Promoter for the event. This will be our biggest event in 2021 and we will need our members help to bring back this epic race. Please plan on joining us this summer and racer get those cars ready to go.

To be put on the e-mailing list for this event, please reply with your Name, specialty and e-mail address longestday21@gmail.com. Please pass this on.

NEOHIO Events at Nelson Ledges

NEOHIO will be back at Nelson Ledges hosting three different events in 2021:

- NEOHIO/MVR Divisional Time Trials on May 29-30, 2021.
- “The Longest Day of Nelson ’21” on June 11-13, 2021.
- “Back Home at Nelson” on July 10-11, 2021.

Other important Events at Nelson Ledges Raceway:

- MVR Halloween Divisional Races on October 30-31, 2021
- Three SCCA Track Night in America dates to be announced shortly. NEOHIO and MVR need to provide support for these events.

Let's Go Racing!

We are ready to race and need to start training a new generation of volunteers.

If you are interested in learning about Registration, Tech Inspection, Timing & Scoring, Pit/Grid, Flagging & Communications, Start, Emergency Services/Towing please contact me and I will get you directed to Chief of that Speciality.

Debbie LaFond, fastlady1026@yahoo.com

Neohio Hall of Fame

The Neohio Hall of Fame committee has decided to delay inducting new members until 2022. The committee made this decision reluctantly because we felt that the induction should take place at a "live" event when friends and family of the honorees can be there to join in the celebration. Since the Neohio annual banquet will be virtual in 2021 due to the COVID 19 pandemic, we don't think this will be possible.

We look forward to a great celebration in 2022. If anyone has someone to nominate, please send the written nomination to Sherrie Weitzenhof, sweitzenho@aol.com.

Purpose

To honor those who contributed to the region through their volunteer work or who brought honor to the region for their accomplishments.

Criteria for Membership

- Doesn't have to be a current Neohio member but has to have made contributions to the region or SCCA while a Neohio member
- The person spent a substantial amount of time as a Neohio member
- For a driver, it has to be someone who has brought honor to the region for his/her accomplishments on the national or professional level

Nominations

- A Neohio member has to make the nomination
- The nomination must include a letter including why the nomination is being made, plus the person's bio with their SCCA related accomplishments.
