## The Starting Line

REport by Dave Lancaster

It's not over yet! After a very busy summer, the 2020 NEOHIO Racing season is adding one more Club Race to our 2020 season. The Halloween Divisional Races at Nelson Ledges Raceway on October 31st-November 1st.

This race is a partnership with Brian Ross Racing, Mahoning Valley and NEOHIO Regions of the Sports Car Club of America. For those that have been around awhile, we did try and obtain the Great Pumpkin name, but are not able to, so we will be starting a new tradition in 2020 with the new owners. We are bringing back an old tradition though with the Nelson Challenge Cup which is a competition between the two divisions for a weekend championship.

Please come out and support this event. Brian Ross Racing is working closely with us as a way of giving back to the two regions that volunteered time and resources to help get the track back into racing form. I am very proud to be associated with so many great volunteers from both regions that helped these past two years to get our track back on the SCCA calendar for Club Racing. Let's show our support for the investment the new track owners have been making and have some fun and win the Challenge Cup Trophy back. Somehow, we lost this trophy back in 2015 and I expect to win it back this year!

The Solo Team also has two more events planned for 2020. They are finishing up a great season and have done a great job keeping this program strong through all the challenges 2020 has thrown at them. Due to Ohio Social Distancing Mandate, we must limit our entries to 40 due to the space available for our events, so get your entry in early.

The SCCA Track Night in America Team is scheduled to be at Nelson Ledges on September 22. This is a great way to get your street car out on Nelson Ledges Raceway for a very affordable price. Novice Drivers will be given a special treat as Tom O'Gorman from Honda Racing will be the Novice Coach for this event. SCCA Members pay \$155 for the event and there is an additional Faulken Tire Coupon available.

Unfortunately, we are going to have to cancel our second Rally Cross event on October 18th. More information to come shortly on future dates for Rally Cross. Due to COVID and some changes at the Geauga County Fairgrounds,

we will be taking a break for now. I am optimistic that we will be back in 2021 along with some possible additional locations.

We have also decided not to host the Johnny Appleseed Road Rally in October.

After the racing is done, it is time to get started planning for 2021. Before we do that, first we have our 2021 Elections. We have three Board of Trustee positions that will be expiring and all the officer positions are up for renewal. If you or someone you know are interested in influencing the future direction of our Region now is the time to step up. Nominations are due by our next meeting October 6, 2020. Members need to be in good standing and be nominated by another NEOHIO Region member, then accept the position in writing to the current BOT. Please reach out to any Board Member or Club Officer for more information.

Thanks for a great season and let’s finish strong. For those Club Racers, remember I am counting on you to win the Nelson’s Challenge Cup trophy back. Let’s bring it to the Great Lakes Division where it belongs.

- Will look into the purchase of a \$100 camping sink in lieu of the costlier rental.
- Brandon Anderson has agreed to serve as next year's Solo Chair.

**Rally Cross:** Dave Lancaster reported the following:

- Geauga Fairgrounds is under scrutiny regarding Covid-19.

- July 31, 2020 was held as a track day only (no Time Trial), 45 cars, should cover costs.

**Nelson Council:** Bob MacDonald reported the following:

- Track progress was discussed.
- There will be debrief with the track later in the week.
- Nelson Ledges is already scheduling for next year.
- Bob Nick noted that the new timing loops will need generators to power them.
- The Canadian border closure hurt the number of drivers and workers.

**Old Business:** Joe Blaha noted the cost for the one year Zoom subscription cost was \$112 in lieu of the \$180 budgeted as he found a discount.

**New Business:**

- Joe Blaha stated he is running out of checks. Ray Glover moved to approve \$100 for new checks, seconded by Bob MacDonald, approved without objection.
- Joe also thinks we should keep a little more money in our cash box for next year in preparation for a bigger year (\$5 bills good).
- Jennifer Dietz is going to have a web site meeting (via Zoom) on Monday for those interested (Dave Lancaster, Daniel Griewisch, and Debbie LaFond expressed interest). It would be nice if individual chairs could enter their own information onto the site.

## Region Help Wanted

The last two years have been a busy time for many of our Board members and volunteers, as we have started to rebuild our Club Racing program and introduced Time Trials and RallyCross to the area. Our Road Rally program started to pick up momentum prior to COVID-19 and our strong Solo program continues to deliver quality events for our members. This is a volunteer club and we could use more help in 2021 as we continue to improve the Neohio Region and our programs.

If you would like to get more involved now is the time. We are already planning our 2021 season. You can be part of the solution to help impact the way we #HAVEFUNWITHCARS. We love new faces and like when our participants can provide feedback to what we are doing. If you are interested in supporting the region, even with limited time, please reach out to any of our Program Chairs or Specialty Chief's to express your interest.

A second way you could get involved is with our Club Management. Elections are in November. We currently have a great Board that has our members interest in mind, however we could always use new fresh ideas. We have some roles that have been occupied by the same member for many years. These people have been great for our region, but I know some of them would appreciate a break. For more information, reach out to me or any Board of Trustee Member.

**Let's Go Racing!**

We are ready to race and need to start training a new generation of volunteers.

If you are interested in learning about Registration, Tech Inspection, Timing & Scoring, Pit/Grid, Flagging & Communications, Start, Emergency Services/Towing please contact me and I will get you directed to Chief of that Speciality.
