The Starting Line REport by Bob MacDonald

Welcome to 2023!

Yes, I know it's a little late for New Years, but this is the time of transition for NEOHIO SCCA. I want to start the year off by thanking our officers and Trustees who have served the region so well for the past year. Outgoing Trustees are Betsy McIntyre and Brandon Anderson and after many years of service, our Membership Secretary Tara Oram stepped down. We owe all many thanks for their years of service.

In particular, I want to express huge gratitude to our outgoing RE, Dave Lancaster. Over the past four years, Dave has done an incredible job of growing our region's programs and membership. He has recruited numerous sponsors who have contributed greatly to making our events better while offering tremendous value. He has recruited and supported program chairs for both our existing and our new programs. And finally, Dave has become a true friend and champion to the management team at Nelson Ledges. He is leaving huge shoes, which I know I will be challenged to fill.

Thanks to those who are continuing in their positions; Treasurer Joe Blaha, Recording Secretary Ray Glover and Trustees Pat Prill, Kurt Stevens, Bill Moore, Brenda Nick and Bill Crowe. Thank you also to Trustee Daniel Griewisch who has respectfully resigned his position due to family commitments. Daniel has been an instrumental part of our Time Trials program and he assures me he will continue to be a participant there as often as he can.

Now to the new faces (or those that have moved to different roles). Taylor Allen was reelected as a Trustee along with Matt Harbert and John McFarland who now start their three year terms. Bill Snow was elected as our new Membership Secretary, Brandon Anderson is now elected to the role of Assistant RE and I am the new RE for the next two years. Thank you to all who voted and all who took part in our Annual Meeting at Boss Pro Karting in November.

So we are off and running on the new year. There are three upcoming events that I encourage you all to participate in:

Ohio Winter Rally is Saturday February 4th. If you have never tried Road Rally before, OWR is a ton of fun. It will definitely test your driving skills. Contact Greg Lester if you are a first timer. He will make sure you get appropriate orientation to the sport.

NEOHIO Awards Celebration will be at the Winking Lizard Party Center again on February 24th. We tried this approach last year and it seemed to be very popular with the membership. This event is for participants in all of our programs including competitors and volunteers. Join us to have some fun with your motorsports family and recognize accomplishments of 2022.

A Day of Motorsports will take place at Nelson Ledges on April 22nd. Look for more information on this next month. We're hoping to get as many people from the region there as possible. We also hope to attract a lot of people who want to learn more about how to get involved in any of our programs or specialties.

Please add all of these to your calendar and come have some #FunWithCars!

Notes from the Director's Chair Area 4 Director Update for January 2023

As one year passes to the next, it's a natural time to reflect on the past and look forward to the future. The issues I dealt with in 2022 ran the gamut from the absurd (a former member suing the club) to the glorious (attending my first Solo Nationals) and everything in between. I look forward to the third of my three-year term.

After returning on 12/4 from face-to-face BoD meeting in Kansas City, I was home for all of two days before I needed to head off to Indy for the PRI (Performance Racing Industry) show. I had not been to this event in many years (2010?) and was really looking forward to it. There were several EV related seminars I wanted to attend as well as other meetings. And, of course, there was the show floor with hundreds of thousands of square feet of racing related products, services, and all around cool stuff. It was a worthy investment of my time and I'm glad I went.

Video Conference Meetings:

Club Racing Board (CRB) (12/6): We were alerted to the fact that Rick Harris is retiring as of 3/31/23. Rick has been the Road Racing Technical Manager for many years and is taking his well-deserved leave from the position. His deputy (Scott Schmidt) will assume the position so there will be continuity as we move forward. Discussion was held on the new T1 rules package and about allowing TCR cars into GT3. Letters to the CRB were reviewed. I reported that the EVAC had published two rules packages for public comment. We are planning on having two face-to-face CRB meetings in 2023. The results of CRB rules changes can be seen [here](#).

Board of Directors (BoD) (12/12): We reviewed the CRB recommended updates and approved them. We discussed the results of the meeting on Rally Cross program.

Electrified Vehicle Advisory Committee (EVAC) (12/14): Our big day was 12/2 as we had the SCREV, electrified Prototype and electrified Touring class rules packages published for comment. We also met with Arnie Coleman (past Director and current Chair of the SCCA Foundation Board) and discussed regional grants. We also reviewed the EVAC letters in the CRB portal. There were a few that merited a deep conversation (homemade battery packs, fire suppression systems, etc.), so we agreed to have an ad hoc meeting in early January.

BoD (12/27): I was not able to attend as I was at a pair of hockey games in Grand Rapids, MI (Go Green!). This was to discuss the Rally Cross program.

SCCA Events:

BoD (face to face) (12/3): As mentioned above, I formally introduced final revisions of the SCREV and two rules packages (electrified Prototype and Touring) to the BoD. They were posted on the [SCCA site](#) for comment. The rest of the meeting seemed anticlimactic (to me anyway) as we ran through the usual details. Yes, we are in pretty good financial shape. We met the two new BoD members. We heard about subtle changes to the Club Racing program. We heard about the big plans for the 50th Solo

Continued on next page

Continued from previous page

Nationals and the 60th Runoffs coming up in 2023. We also discussed revising the BoD structure to make it more effective (I can elaborate on this at the Spring Meeting in Fort Wayne).

The end result of some of the policy and program changes is that more and more membership and sanctioning tasks can be handled online. This frees up staff's time for more important issues. All that said, if you have problems renewing your membership or have other questions, please do not hesitate to call the office (800.770.2055) to get personalized help.

=====

A quick reminder that the GLDiv Spring Meeting will occur on 3/3 and 3/4 at the same site as last year (Manchester University). A link for registering for the event can be found [here](#). The registration cost is \$30. An additional \$10 gets you a really nice pasta, salad and dessert dinner from Casa d'Angelo on Friday evening. The meetings will be across all programs, so I encourage all members to attend. With more programs under the SCCA banner these days, we need to focus on teamwork to help each region put on the best events they can.

As usual, Val McCammon is coordinating the event. She will send a "call for sessions" email soon. She also asked that I remind folks to contact her (pyramid@bluebirdview.com, 260.437.6707) with any topic or session ideas they would like to see.

=====

Be sure and visit the [GLDiv website](#) for information about all of the SCCA programs within the division. We have schedules, official's contact info, standings, etc. for all the SCCA programs.

Please take a few minutes and make sure your contact information is accurate in the SCCA database. It's important to have the correct information there so the club knows how to contact you. Log in to your my.scca.com page and check.

As I mentioned previously, there is a new path to getting your annual waiver. You can now get it through the Member Account Portal (MAP). Follow this [link](#) to get the instructions. There is also a story about the program [here](#). I've done it and it only takes a couple of minutes. Be prepared to upload a headshot picture of yourself.

Just a quick reminder, if any region out there wants to have an "Ask the Director" session during your monthly meetings, please do not hesitate to contact me so we can schedule a visit. I retired last summer so I have plenty of free time and would thoroughly enjoy the chance to visit with your members.

Thank you for your time and I look forward to hearing from you soon. Please feel free to contact me with any questions or comments you may have about any facet of the GLDiv. I want you to make the most of your membership and I will help out in any way possible to make that happen.
