The Starting Line REport by Bob MacDonald

The weather is supposed to be warming up and so are many of our activities!

In just a few days, there is an **Autocross Test & Tune** on April 29th at the Captains Lot in Eastlake. On the same weekend Steel Cities Region is hosting their Majors event at PittRace. Right on the heels of that is our first **Time Trial (Time Attack)** on May 6th (adjacent to One Lap of America at Nelson Ledges the 7th). May 13th is a busy day with both **Autocross Points event #1** at the IX Center and the **Vertigo Rally**. Look for information on these two events in this issue of the Blower. In addition, Ohio Valley Region is hosting their Majors event at Mid-Ohio Sports Car Course that weekend. Our friends from Mahoning Valley Region are hosting the first Divisional Race of the season at Nelson Ledges the weekend of May 20-21. They have included an Enduro on Saturday and a Time Trial on Sunday. Check the MVR website for details.

As we roll into June, we are headed for another NEOHIO premiere event, **The Shortest Night of Nelson Ledges Team Enduro**. To date, about 16 teams have managed to enter in time to take advantage of the early entry discount. We still need more teams so please talk this up with your friends. We also need a whole lot of volunteers to make this event successful. Right now on MSR, we have more cars than volunteers. Please spread the word and let's get a great turnout for this event!

Our **Day of Motorsports** was this past Saturday. In spite of the weather, we had a great turnout. Thanks to Jennifer Bradford for taking the lead and doing a great job putting this event on. Needless to say, she had a great committee supporting her including Brandon Anderson, Erik Avendutti, Bill Moore, Dave Lancaster and the late Pat Prill. Thanks to all of our presenters including the Seminars, Programs and our volunteer specialty leads. Thanks to the following vendors/sponsors who helped make this possible including **Atomic Autosports, Carbotech Brakes, EBC Brakes, Hawk Brakes, Hoosier Tire, Kryderacing, Lally Chevrolet, Nelson Ledges Road Course, Summit Racing and Race-Keeper Data Acquisition**.

The day concluded with a **Track Night in America**, which was really well attended! Thanks to Dave Lancaster and the team that put that event on. Many of them had a very long (like 14 hour) day!

REport continued from page 1

Finally, we had a small but efficient team turn out for the **Nelson Ledges Work Day**. The tire wall on Drivers left from turn 12 to 13 has been rebuilt and looks great. The Rollover chassis was also reconditioned so it was ready for demonstrations during the Day of Motorsports. Thanks to all who participated.

Our social event at the Winking Lizard in Independence on April 5th was well attended (we outgrew the room set aside for us!) and everyone I spoke to had a good time. The next Social is planned for June 16th.

Notes from the Director's Chair
Area 4 Director Update for April 2023

March was a whirlwind for me.....with trips to Fort Wayne, IN for the divisional meeting and Kansas City, MO for a face to face Club Racing Board (CRB) meeting, I had a few nights away from home and a lot of miles on the highways in my EV.

So, here's what I did this past month.....

Video Conference Meetings:

Club Racing Board (CRB) (3/7): We finalized an agenda for the first of two face to face meetings in 2023 which would be held in March (3/17, 3/18). The group discussed the ongoing BSpec debate about class parity. An extended conversation was held about the definition of weights in the GCR. Base weight, minimum weight, starting weight.....all had different definitions depending on what category you were looking. Is caused some confusion (rightly so) and the committee took some time to clarify the language used across all classes. Other minutiae were handled such as (rain lights, FIA GT4 tire specs, etc.). The results of CRB rules changes can be seen [here](#).

Electrified Vehicle Advisory Committee (EVAC) (3/8): We are all excited because one of our EVAC members built an EV that campaigned at a race in CA. It finished all the sessions and ran extremely well for its maiden voyage. In addition, we've begun work on a memo to registrars for all programs to alert them on how to handle an EV when it signs up for an event. Our goal is to give registrars a unified path to follow so that an entrant using an EV can be dealt with in the same fashion. This allows the region to be aware of the entry and can be prepared. We're also exploring how to work with risk management so we can catalogue incidents that involve EVs. This will let us utilize 'best practices' so we learn from past events as we shape policy moving forward.

Board of Directors (BoD) (3/27): An issue at the 2022 Runoffs warranted our attention. Language was changed in the GCR that bubbled into a disagreement between the Steward Corps and the CRB. The leaders of these groups met with us to make their case in this debate. The BoD heard from each of them and discussed how to proceed. After all of that (it took over an hour), we also got an update on the financials. We worked on some minutia like changes to the ERB rules, filling Court of Appeals (CoA) positions, some liaison changes, etc.

SCCA Events:

GLDiv Spring Training (3/3, 3/4): This meeting will go down in the history books for a variety of reasons. One, the weather was REALLY nasty. Two, several members of national staff (eight?) came to the meeting to help us with our various programs and events. This included Mike Cobb who is the President of the SCCA. Three, I was made speechless....and those who know me know that this doesn't occur too often.

My drive down from Lansing was pretty tricky for the last 30-40 miles. The ice and snow caked on to my windscreen wipers and made the roads treacherous. Then it warmed up a bit and the ice was removed from my car by rain. The Friday evening social was punctuated by many visits with friends over some pretty good pasta dishes. Much fun was had by all. *continued on next page*

On Saturday, I tried to attend as many sessions as I could, so I was pretty busy all day. The meeting was highlighted by having all levels of leadership in attendance. Regional, divisional and national program managers worked together to make our programs better for the members of GLDiv. This was truly a very educational experience for all involved.

As for my “speechless” moment, I was extremely humbled, proud and appreciative to hear that I was the recipient of the Steve Harris Dedicated Member Award from the division. I walked up to the podium and I just didn’t know what to say. I was shocked and amazed that I would be considered worthy of such an award. The award is glass and very heavy so I described it as “the perfect blunt object from a Perry Mason episode” (yes, a reference from a TV show from 60 years ago.....I’m old.....get over it). I want to thank everyone for this extremely high honor. I use Steve’s management style as the template for my directorship and how I appoint myself as I hold the position.

The weather may have quenched the atmosphere outside but the camaraderie inside made the weekend very fruitful. We expect bigger and better next year so please make sure to attend the meeting in 2024. Details will be announced here when they become available.

The divisional leadership should be praised for an outstanding meeting. Everyone in attendance told me they were very impressed. Val McCammon is the leader of the squad but she couldn’t have done it without help from so many others. Velma and Raleigh Boreen, Tony Brown, the REs from the various regions and, of course, the folks from HQ who braved the inclement weather and travelled to the meeting. Mike Cobb’s story of his trip to Fort Wayne is priceless....ask him about it the next time you see him.

CRB Meeting (3/17, 3/18): This meeting was designed to discuss the long term health and success of the Club Racing program. The Chair of the CRB (John LaRue) let us know that there would be no portion of the program (Runoffs, classes, run groups, venues, schedule, etc.) that would off limits. The group met for eight hours on Friday and four more on Saturday. Many topics were brought up. We came up with several great ideas and various members are following through to see about their viability. The biggest takeaway is that there are no isolated variables in this conversation. Changes in one area have consequences in another. Reform of the program won’t be just in one area. It’s similar to turning an ocean liner on the high seas.....it won’t happen easily or quickly.

As details of our changes become tangible, we will let the membership know.....but for now this is all on a “need to know” basis. I assume everyone understands that this will be a long process and discussion of the conversations we had would not be prudent.

Be sure and visit the [GLDiv website](#) for information about all of the SCCA programs within the division. We have schedules, official’s contact info, standings, etc. for all the SCCA programs.

Please take a few minutes and make sure your contact information is accurate in the SCCA database. It’s important to have the correct information there so the club knows how to contact you. Log in to your [my.scca.com](#) page and check. As I mentioned previously, there is a new path to getting your annual waiver. You can now get it through the Member Account Portal (MAP). Follow this [link](#) to get the instructions. There is also a story about the program [here](#). I’ve done it and it only takes a couple of minutes. Be prepared to upload a headshot picture of yourself. Thank you for your time and I look forward to hearing from you soon. Please feel free to contact me with any questions or comments you may have about any facet of the GLDiv. I want you to make the most of your membership and I will help out in any way possible to make that happen.

Great Lakes Division Rally Championship Updates

Vertigo Rally, Saturday, May 13, 2023: Neohio Region, SCCA invites you to enter the **Vertigo Rally** on Saturday, May 13, 2023. The route will wind through the hills of Ohio's Stark, Carroll, Columbiana and Jefferson counties, using many of the same roads as an old rally of the same name. More information can be found, and registration is open here: msreg.com/Vertigo23

2023 SCCA GLD Rally Championship Schedule:

The 2023 SCCA Great Lakes Division Rally Championship schedule remains a work in progress. The following dates are fairly certain:

May 13 - **Vertigo**, N. Canton, OH. Neohio Region (msreg.com/Vertigo23)

September 8/9 - **Press On Regardless**, Gaylord, MI. Detroit Region

October 14 - **Moonlight Monte**, Chelsea(?). MI. Detroit Region

November 11 - **Pavement Ends**, Whitmore Lake, MI. Detroit Region.

Expect other rallies to be added to this schedule. Dates may change as plans solidify in coming weeks.

"A Day of Motorsports", Saturday, April 22, 2023:

Neohio Region, SCCA will host **"A Day of Motorsports"**, an extravaganza to introduce all of the SCCA's programs (Rally, Rally-x, Solo, Time Trial, Street Survival and Road Racing) to the general public, on Saturday, April 22, 2023. The event will take place at Nelson Ledges Road Course (10342 State Route 305, Garrettsville, Ohio 44231). All are welcome. More information can be found here: neohioscca.com or on the SCCA Region, Inc. Facebook page.

Southern Ohio Forest Rally (SOFR), June 8-10, 2023:

For those who enjoy stage rallying (flat-out racing against the clock over closed forest roads), the **Southern Ohio Forest Rally** will take place June 8-10, 2023. The rally will start with a Thursday evening stage through Yoctangee Park in downtown Chillicothe. Friday and Saturday stages will run through Shawnee State Forest (near Portsmouth), and Zaleski State Forest (near McArthur). SOFR will be part of the American Rally Association (ARA) National Championship.

A "cast of thousands" of volunteers is needed to make this event a success. A variety of positions, both on stage and in the service areas, need to be staffed for the rally to run. Amateur radio operators and emergency medical personnel are in particular demand.
