## The Starting Line

REport by Bob MacDonald

October is a very busy month here in NEOHIO Region. There are still a couple more opportunities to get out and have #funwithcars before closing out the 2023 season.

On October 21<sup>st</sup>, we will be wrapping up the Time Trials season with a one-day **Time Attack** event at Nelson Ledges Road Course. There will be run groups for Novice, Intermediate and Advanced drivers. If you have never tried Time Trials before, this is a perfect opportunity to check out this form of competition. Novice classes and coaching will be included. Registration for competitors and volunteers is now open on Motorsports Reg (MSR).

On that same date, we are hosting **Autocross Points Event #6** at the IX Center. This event was originally scheduled for October 7<sup>th</sup>, but the decision was made to postpone based on the weather that weekend. This is your last chance to accumulate points toward the NEOHIO Solo championship in each class. Registration is open now on MSR.

To finish out October, NEOHIO is once again partnering with Mahoning Valley Region to present the **Halloween Divisional Road Race** weekend at Nelson Ledges. This year's event will once again include a 90-minute Enduro (Club Race Experience or CRE) event on Saturday afternoon. On Sunday, instead of running a Track Event, we have extended the feature race sessions to provide maximum track time before we all go into winter hibernation. Registration for competitors and volunteers is now open. Please come and join us for this last hurrah of the regular road racing season.

Looking back for a moment, On October 7<sup>th</sup> we hosted the **Johnny Appleseed Road Rally**. Thanks to Greg Lester (Rally Program Chair) and Ron Johnstonbaugh (Event Chair) for putting on a wonderful event. The participants I've spoken to all say they had a ball. Results and photos are now posted on the NEOHIO website.

As stated last month, it's that time of year again. **Club leadership elections** are now open. You can vote online, mail your ballot or bring it in person to our Annual Meeting. You can learn a little more about the candidates elsewhere in this issue of the Blower. You can print a ballot from this edition of the Blower or vote online at <https://neohioscca.com/vote>. In addition to voting for region leadership, elections are currently open for SCCA **Area 4 Director**. This is our representative on the SCCA National Board of Directors. You should have received an email from SCCA Membership with voting information.

### Trustee Meeting Minutes September 5, 2023

**Trustees Present:** Bill Moore '23, Brenda Nick '23, Kurt Stevens '24, Ashley Medwig '24 Tom Weiland '24, John McFarland '25, Taylor Allen '25, Matt Harbert '25, **Excused:** Bill Crowe '23

**Board Members Present:** Bob MacDonald ( R.E.), Joe Blaha (Treas.), Bill Snow (Mem. Sec.), Ray Glover (Rec. Sec.), **Excused:** Brandon Anderson (Asst. R.E.)

**Committee Members& Guests:** Dave Lancaster, Duane Harrington, Greg Lester, Jennifer Bradford, Bob Roberts.

**Call to Order:** The Zoom meeting was called to order by R.E. Bob MacDonald at 7:32pm.

**Review of Prior Minutes:** Minutes from the August 1, 2023 Zoom meeting were emailed to the Board by Ray Glover for review prior to the meeting. A motion to accept the minutes as corrected was made by Kurt Stevens, seconded by Tom Wieland, and approved without objection.

**Treasurer's Report:** Joe Blaha emailed his September Treasurer's Report to the Board for review prior to the meeting. Joe noted the month is down approximately \$4,000 over last month, but approximately \$4,000 over the same time last year. He added that the region will get reimbursed for the Pro Solo expenses. A motion to approve the August Treasurer's Report was made by Brenda Nick, seconded by John McFarland, and approved without objection.

**Membership:** Bill Snow reported the following:

There were 13 new members in August, 11 memberships lapsed in August.  
We currently have 674 members per national.

Bill has forwarded the new member list to the Board so they can reach out to those in their area or with similar interests.

#### **Officer and Committee Reports:**

**Regional Executive Report:** Bob MacDonald reported the following:

There were two good events since our last meeting – an autocross and a rally cross.

Dorothy Harrington brought to Bob's attention that John Hinkle is having some serious health issues and suggested a donation jar at the Pat Prill Memorial Race registration table. Bill Moore made a motion to allow a donation jar for John at the race, seconded by Kurt Stevens, and approved without objection.

Next year's calendar of events needs to be better coordinated amongst our own events to prevent conflicts.

The Communication Committee has not resumed meeting yet.

Keep thinking about the upcoming elections and awards.

Keep supporting our sponsors.

**Road Racing:** Dave Lancaster reported the following:

The Pat Prill Memorial Race is September 16 and 17. We are short on F&C workers. Carbotech has sponsored the food for the Saturday evening dinner. Lyn Roberts needs an estimate of the number of attendees so she can order the food. Dave suggested approximately 200 should be a good number. Dave noted the entry fee for the race was approved by the Board to be \$425, but it was listed on MSR as \$395. It was decided to allow those who already registered to keep the lower fee but to put the correct fee for all new registrants.

Bill Crowe will be the Flag Chief for the Halloween Race in October.

*continued on next page*

*Continued from previous page*

**Time Trial:** Dave Lancaster reported the following: sups. are done for the October 21, 2023 event at Nelson Ledges. Brenda Nick is currently proofing them.

**Solo:** Bob MacDonald reported the following as per Brandon Anderson:

There were 58 entries at the IX Center event. 30 entries at the Captain's lot Test & Tune.

FYI, the trailer tires need to be replaced more often.

**Rally Cross:** Bob MacDonald reported the following:

Frank Colletti resigned as Rally Cross Chair.

Thanks to Bob MacDonald, Dave Lancaster, Andrew Grannis, Brandon Anderson, Drew Banyon, Brenda Nick, Dave Killian, Jeff Arendas, and Greg Lester who threw together a rally cross at the last minute.

Also, thanks to Steel Cities for the use of their watches.

**Road Rally:** Greg Lester reported the following:

October 7, 2023 is the next rally. Registration is open.

Sanction is complete. Will the conflicting solo date be changed?

**Website and Social Media:** Jennifer Bradford reported the following: Email Jennifer if you need anything posted.

**Social Events:** Bill Snow reported the following: the next social event is Sept. 27, 2023 at 6:30pm at Hoppin' Frog.

**Street Survival:** Bob MacDonald reported the following:

An early November date is the target. Still finalizing the venue.

**Old Business:** Bill Moore reported the following on the proposed Constitution updates:

It was recommended to have a lawyer review our proposed Constitution updates.

Bill and Bob MacDonald were quoted a fee of \$3,000 to 5,000 for a review.

A motion was made by Bill Moore to approve a budget of up to \$5,000 for the lawyer to review our Constitution, seconded by Taylor Allen, and approved without objection.

**New Business:**

Bob MacDonald noted that the cost for the helmet stickers is \$10 over the previously budgeted amount and the sound meter calibration is \$30 over the previously budgeted amount. It was determined to apply those cost to the road racing budget and therefore not need a new budget request.

**Adjournment:** Motion to adjourn made by Ray Glover, seconded by Kurt Stevens, meeting adjourned at 8:48pm.

Next meeting will be October 3, 2023 via Zoom.

Respectfully submitted, Ray Glover, Recording Secretary

## **Area 4 Director Election Coming Up!**

**Current Area 4 Director Dayle Frame is running for reelection and is being challenged by Dan Hodge, OVR member and Steward.**

Notes from the Director's Chair  
Area 4 Director Update for October 2023

Notes from the Director's Chair  
Area 4 Director Update for October 2023

As I mentioned in my last update, September was going to be another hectic month. I drove out to the Solo Nationals and spent five days there. It was quite an event. Next it was off to the Runoffs down in Virginia and another huge SCCA spectacle. Throw in a few Zoom meetings, a few phone calls on various topics and before you know it, the month is gone.

So, here's what I did this past month.....

Video Conference Meetings:

Club Racing Board (CRB) (9/5): As I was attending a function during the CRB meetings, I was not able to sit in on this meeting. The results of all of the CRB rules changes can be seen [here](#).

Electrified Vehicle Advisory Committee (EVAC) (9/13): With the President's update later that evening, we had a shortened EVAC meeting. We covered previous action items. We discussed roll cage requirements for heavier competition vehicles.

Board of Directors (BoD) (9/25): With the Runoffs in progress, meeting cancelled.

SCCA Events:

SCCA Solo Nationals (9/3-9/9): This was my second trip this the Solo Nationals. After having such a great time last year, I just HAD to come to the 50<sup>th</sup> edition of the event this year. With over 1300 entrants, it was sure to be a special time for everyone involved.

I arrived on site Monday afternoon and got set up. Even though I had attended last year, this would still be a learning experience for me. I knew there were classes that I had to view and an agenda of folks I wanted to talk with during the week.

On Tuesday night, there was a dinner and museum trip scheduled. I'd never been to the [Museum of American Speed](#) but it is a fantastic place to visit. They have a HUGE section of cars and memorabilia there. I strongly suggest you visit the place next time you're in Lincoln. You will not be disappointed. Wednesday, I was included in a meeting with the museum management to discuss cooperation on an SCCA display. We have entered a long term agreement with the museum and I look forward to a variety of SCCA cars being displayed.

As it is impossible to say "no" to Raleigh Boreen, I was talked into handing out trophies on Friday. How cool was this? I got to meet dozens of participants and give them hardware to honor their efforts.

All in all, a very good week for me, the Club and the Solo program. *continued on next page*

SCCA Runoffs (9/24-10/2): Other than 2008 in Topeka and 2018 out at Sonoma, I've been to every Runoffs since 1997. Whether it was as a driver, a worker, a photographer, crew or spectator, the event has it all. Competition, intrigue, charm, camaraderie.....and this year's edition was no different. If you haven't been to one, please consider coming out to next year's event. It's in our backyard at Road America for the next two years. You won't regret it.

Now that I'm retired as a driver, I find a variety of diverse activities occupies my time while at the event. This year I had several different tasks on my agenda. I would flag corners on Wednesday (qualifying) and Saturday (races). Wednesday would be with Mike Cobb (SCCA President) and Clay Turner (Area 8 Director). We had a great time even though the weather was misty, cool and breezy. On Saturday, the races forced us to use ALL the available flags as there were lots of incidents that required tire wall repair, wreckers, etc. I don't know if I've ever worked harder on a corner as we were constantly doing something. At the end of the day, I was wiped out. On Thursday, I sat in on a CRB meeting in which we discussed the future plans for data collection. On Sunday, I had volunteered to present the trophies for the podium finishers in H Production (HP) as it was the class in which I used to compete. Throw in some schmoozing (campaigning?) during some off hours, visiting with friends and the week went by pretty quickly.

=====

There's a couple of extra items to bring up this month. As you may know, a BoD term lasts three years and this is the final year of my term. I found out a couple of weeks ago that I am being challenged for the position. Dan Hodge is running against me. He is a member of Ohio Valley Region and a Club Racing steward.

I urge all members to vote. You will receive an email from the SCCA outlining the voting process. The window for voting is from 10/15 to 11/15. You can do so electronically by logging into your [my.scca.com](http://my.scca.com) account. If needed, you can also request a paper ballot there. Whether you vote for me or my opponent, please query us on your concerns and vote. This Club is member driven and it is a better organization when those members participate in the process.

Be sure and visit the [GLDiv website](http://GLDiv website) for information about all of the SCCA programs within the division. We have schedules, official's contact info, standings, etc. for all the SCCA programs.

Please take a few minutes and make sure your contact information is accurate in the SCCA database. It's important to have the correct information there so the club knows how to contact you. Log in to your [my.scca.com](http://my.scca.com) page and check.

As I mentioned previously, there is a new path to getting your annual waiver. You can now get it through the Member Account Portal (MAP). Follow this [link](#) to get the instructions. There is also a story about the program [here](#). I've done it and it only takes a couple of minutes. Be prepared to upload a headshot picture of yourself.

Thank you for your time and I look forward to hearing from you soon. Please feel free to contact me with any questions or comments you may have about any facet of the GLDiv. I want you to make the most of your membership and I will help out in any way possible to make that happen.

November 11 - **Pavement Ends**, Whitmore Lake, MI. Detroit Region.

### Who doesn't want to have fun with cars?

Hello, I am Bill Moore, and I am excited to seek your support for re-election as a Trustee for the Neohio Region SCCA. Together we share a common passion for the thrill of competition, the roar of engines and the camaraderie of our motorsport's community.

As a current Trustee, I've had the privilege of being deeply involved in critical projects like Motor-sports Day and the development of the new SCCA Neohio Constitution, the very rules that guide the region. These projects are not just paperwork or events, they are the cornerstone of our region's future success. I'm fully committed to ensuring they are not only completed but serve the region as it continues to grow.

My journey in competitive motorsports and SCCA began 23 years ago. I have had the privilege of participating in various forms which includes Trans Am TA2, Craftsman Truck, NASCAR, S2000, Legends, and SCCA - GT-2, T2, SRF, ITA, ITB, ITS cars. I have also had the honor of being a Porsche, Police Pursuit, Street Survival and Extreme Experience Supercar Instructor and almost won the Ohio Winter Rally one year! These experiences have provided valuable insights.

Whether you are a seasoned racer or someone new to SCCA and motorsports, I am dedicated to ensuring that you can enjoy your passion in a supportive and exhilarating environment. My vision is to help in the development of fun, safe and exciting motorsports experiences for the members of the Neohio Region, to insure we all have fun with cars!

Thank you for your consideration, and I humbly ask for your vote and continued support.

### Nomination for Membership Chair

**Bill Snow** first joined the SCCA while in high school (1990) to get closer to his passion of cars and motorsports. He was an active member of the Solo program and many years after college resurrected the Neohio Solo program after it had become dormant. Bill's been active in supporting the region as a sponsor and volunteering his time for time trials and road racing events. He also helps out behind the scenes with marketing and communications. Bill recently received his SCCA Road Racing Competition License. When not at a race track you'll find him at Rad Air Complete Car Care.

In the first year of being the Neohio Membership Chair he has been able to increase communications with our members and created and hosted three successful social events. In the past year the region's membership has grown by 13%.

### Neohio Board of Trustees

**Vote for Experience –Brenda J. Nick SCCA member since 1986.** Positions currently held: Board of Trustees, and Chief of Timing and Scoring. Programs past and/or presently involved in: Club Racing, Enduro, Runoffs, HPDE, Time Trials, Rally Cross, Road Rally, Solo, & Street Survival.

After some consideration I have decided to run for a last term as trustee. I did so to continue with my effort to return the region's "we are a club" feeling which took a major hit from the pandemic's forced separation. I wish to continue working with Bill Snow creating social get-togethers for the general membership. I believe I also bring a "big picture" attitude to being a trustee. I do that by being part of the small group who participate in a number of different specialties, Racing, Solo, Rally, Time Trials as well as Street Survival. I think having this crossover participation makes my role as a trustee valuable to "The Club" we wish to maintain and grow.

**Thanks Bill Crowe**

*Dear Neohio SCCA Members,*

*As I seek re-election as your Assistant Regional Executive, I wanted to express my profound enthusiasm for another term. Over the past tenure, together, we've strengthened the core of Neohio SCCA through our robust programs, and I am immensely proud of what we've achieved. I genuinely believe that our region stands strong, vibrant, and more cohesive than ever. With your trust and support, I am eager to continue my service and bring my experience, passion, and dedication to ensure Neohio SCCA's continued growth and success. Together, we can build upon our accomplishments and drive our beloved region to even greater heights.*

*Thank you for your belief in my abilities. I'm looking forward to another term of collaboration and progress.*

***REport continued from page 1***

As we have for the last couple of years, our **Annual Meeting** is November 14<sup>th</sup> at Boss Pro Go-karting. The region will provide pizza, wings and salad. Boss Pro is putting together a program of heat races and a champ race for us as they have in years past. Please plan to join us to hear updates from all of our programs, including initial plans for the year ahead. Eat, race go-karts and enjoy the evening hanging out with your motorsports family. Ballots will be counted that night and provisional winners of the election will be announced. Beverages and go-karting are pay as you go.

And finally, at our December Board Meeting, we will be selecting the winners for this year's **annual awards**. Although the Board votes on the final recipients, any member of the club can nominate someone that they feel deserves special recognition. Please think about your fellow club members and email me at [regexec@neohioscca.com](mailto:regexec@neohioscca.com) with a suggestion for an award recipient and a brief statement of why you feel the person should be a winner. Don't worry about knowing which award at this point, we can follow up and discuss the various options when we have nominees in mind.

I look forward to seeing you at an event soon!
