## The Starting Line

REport by Bob MacDonald

March is probably the dreariest month in Ohio and seems to drag on forever as we look forward to better weather and more motorsports fun. However, here's one bright spot to celebrate as we wait for the season to begin!

Congratulations to our own **Peggy Dietz** for being recognized with the **Steve Harris Award** for service to the Great Lakes Division during the GLD Spring Training Conference on March 2<sup>nd</sup>! The award is well deserved and it's great to see a NEOHIO member getting it!

Our **social event at High Voltage Karting** in Medina was a hit, although the turnout was a little lighter than other recent events. There were a number of participants who are new to or just getting interested in joining SCCA and learning more about our programs. Please feel free to invite friends that you think might be interested in joining our club to future social events. It's a great opportunity for them to start to learn more about us and make some new friends.

So now we turn our attention to preparing for the season ahead as a Region. I'm sure most of you have already been hard at work on your cars getting them ready. Just as important is taking care of our club's equipment and the facilities where our events take place. Saturday April 13<sup>th</sup> will be both a **trailer maintenance day** for the Solo (and RallyCross) Program and a **track maintenance day** at Nelson Ledges Road Course. You may ask, why do we provide volunteer maintenance for a track we pay rental for. Simply put, the time we invest in the track through this simple donation of our time and labor comes back to our club significantly by the consideration we get there. Rest assured, we're creating a more appealing environment for our volunteers and a safer environment and better value for our competitors. I consider that a good investment!

One week later, on April 20<sup>th</sup>, we are hosting our second annual **Day of Motorsports** at Nelson Ledges. This event is designed for and open to non-members. The goal is to introduce our programs to motorsports enthusiasts so they will participate in our various events as either a volunteer or competitor and ultimately join our club. **This is your chance to help build all of our programs by coming out and sharing your experiences. Hopefully you'll also make some new friends who share your interests.** Please plan to attend and invite as many people as you know. All the details are on page 8-9. Please print these out and hand them out liberally. Please register via the QR code. **Continued on page 15**

## Notes from the Director's Chair Area 4 Director Update for March 2024

Our GLDiv program managers and regional leaders are gearing up for the coming season. Competition is just around the corner, folks. Consider joining us at the Convention in Fort Wayne this weekend.

So, here's what I did this past month.....

### Video Conference Meetings:

Club Racing Board (CRB) (2/6): The group reviewed the locations for data collection at some of the Hoosier Super Tour events. The use of using a spec ABS system in BSpec was discussed. As the XCRB face to face meeting was approaching, conversations about topics and the agenda ensued. The results of all of the CRB rules changes can be seen [here](#).

Electrified Vehicle Advisory Committee (EVAC) (2/22): I brought up two "out of left field" conversations I had over the previous month. One with a fellow from Texas who wanted to electrify a formula car. The other was from the manager of a race track who wanted to investigate if the SCCA could help him host EV only track sessions. We also discussed writing a 'fact sheet' to pass out to regions and venues who might be interested in having events that would hosting EVs. There's a lot of misinformation about EV safety and we need to educate our member regions and event venues on the true issues.

Board of Directors (BoD): Due to scheduling issues, we postponed the February meeting.

### SCCA Events:

Cincinnati Region Banquet: Once again, our good friends at the Cincinnati Region invited me and my wife Melinda to attend their annual banquet. We had a great time last year so we enthusiastically accepted.

Like last year, the agenda was packed so I kept my remarks to a couple of minutes. I applauded the region membership and pointed out that the region's leadership provided the space to allow the members to enjoy a wide variety of well run events in many programs. The meal was excellent, and the awards ceremony portion of the evening was very nice. Melinda and I offer many thanks to the Region leadership for the invitation.

Melinda and I have also been invited to the Detroit Region banquet and we are looking forward to that event on 3/10. I attended that suare last year and thoroughly enjoyed myself.

=====

I have one last chance to promote the GLDiv Convention. This year's event will be held at The Summit in Fort Wayne on March 2<sup>nd</sup> with a social portion held the evening before at the Hilton Garden Inn. Event details and registration information can be found [here](#). Many of our colleagues from the National Office will be in attendance. Please reach out to [Val McCammon](#) if you have any questions, comments or suggestions.

*Continued on next page*

*Continued from previous page*

The BoD has proposed a Bylaws change. You can view the details of the proposal by following this [link](#). Voting has already begun (it started 2/13) and will close on 3/14. The proposed Bylaws change would strengthen term limits on members of the Club who are elected to the National SCCA Board of Directors. Currently, a member in good standing can hold a Director position for two consecutive elected terms before having to step down. However, after being off the Board for a term, the current Bylaws allow that same person to then run for election to the SCCA Board of Directors again at a later date. The Bylaws proposal would limit members' eligibility to serving a maximum of two elected terms total.

I encourage everyone to vote for this proposal. Voting for this follows the same path as any other vote. Go to [my.scca.com](http://my.scca.com) and log in.

In the horizontal menu, hold your mouse over "Member Resources" and select "Surveys and Voting". Click on the button and cast your vote.

Please feel free to contact me if you have any questions.

=====

Be sure and visit the [GLDiv website](#) for information about all of the SCCA programs within the division. We have schedules, official's contact info, standings, etc. for all the SCCA programs.

Please take a few minutes and make sure your contact information is accurate in the SCCA database. It's important to have the correct information there so the club knows how to contact you. Log in to your [my.scca.com](http://my.scca.com) page and check.

As I mentioned previously, there is a new path to getting your annual waiver. You can now get it through the Member Account Portal (MAP). Follow this [link](#) to get the instructions. There is also a story about the program [here](#). I've done it and it only takes a couple of minutes. Be prepared to upload a headshot picture of yourself.

Thank you for your time and I look forward to hearing from you soon. Please feel free to contact me with any questions or comments you may have about any facet of the GLDiv. I want you to make the most of your membership and I will help out in any way possible to make that happen.

***Trustee Meeting minutes continued from page 5***

**New Business:**

A budget of \$665.00 was requested for the awards for the Awards Celebration. John McFarland moved to approve a budget of \$665.00 for the awards, seconded by Kurt Stevens, and approved w/o objection.

Greg Lester requested a budget of \$1,200.00 for the Ohio Milk Run Rally. Brenda Nick moved to approve a budget of \$1,200.00 for the Ohio Milk Run Rally, seconded by Tom Wieland, approved w/objection.

**Adjournment:** Motion to adjourn made by Taylor Allen, 2nd by Kurt Stevens, meeting adjourned at 8:59pm.

Next trustee's meeting will be March 5, 2024 via Zoom.

Respectfully submitted,          Ray Glover,          Recording Secretary

### Road Rally Update by Greg Lester

#### 2024 SCCA GLD Rally Championship Schedule:

The next event on the 2024 GLD schedule is Neohio Region's **Ohio Milk Run** rally. Starting in Wooster, rally-master Ron Johnstonbaugh has crafted a course that winds through the hills of Ohio's Wayne, Holmes, Knox and surrounding counties. The rally's name is a homage to a motorcycle enduro that ran in the same area. More information is available, and registration is open here: [msreg.com/OMR24](https://msreg.com/OMR24)

The following 2024 GLD Championship rallies remain in the works:

May 18 - **Ohio Milk Run**, Wooster, OH. Neohio Region (Registration is open here: [msreg.com/OMR24](https://msreg.com/OMR24)).

June 1 - **Twilight Tour**, Lansing(?), MI. Detroit Region.

August 17 - **Name TBD**, Bolivar(?), OH. Neohio Region.

September 7 - **1st POR**, St. Ignace, MI. Detroit Region.

September 7 - **2nd POR**, Manistique, MI. Detroit Region.

October 19 - **Johnny Appleseed**, N. Canton, OH. Neohio Region.

November 2 - **Pavement Ends**, Roscommon, MI. Detroit Region.

Look for date changes, and the addition of other rallies as the schedule solidifies. Please contact GLD Rally Steward Rob Moran ([RTMoran2008@yahoo.com](mailto:RTMoran2008@yahoo.com)) with any questions.

**2024 Day of Motorsports:** Neohio Region, SCCA will host the second annual(?) Day of Motorsports on Saturday, April 20, 2024 at Nelson Ledges Road Course (10342 Ohio Route 305, Garrettsville, OH 44231, N41°18.588' W081°00.958'). This will be an opportunity to learn about "All Things SCCA ". There will be representatives from all of the Club's programs on hand to answer questions, and tempt you to come out and participate in something new.

**2024 Southern Ohio Forest Rally (SOFR)** For those who enjoy stage rallying (flat-out racing against the clock over closed forest roads), this year's Southern Ohio Forest Rally (SOFR) will take place June 6-8. SOFR will be an American Rally Association (ARA) National Championship event. It will start with a Thursday evening stage through Chillicothe's Yoctangee Park. Friday stages will run in Shawnee State Forest (near Portsmouth), and Saturday stages will run in Zaleski State Forest (near McArthur).

As always, a "cast of thousands" of volunteers, with a wide variety of skills, is needed to make this event successful. Amateur radio operators and emergency medical personnel are particularly in demand. There will be an **in-person orientation session for new rally volunteers on Saturday, March 9, 2024 in Chillicothe, Ohio**. Look for details at [southernohioforestrally.com](https://southernohioforestrally.com) or send a message expressing your interest to [volunteers@southernohioforestrally.com](mailto:volunteers@southernohioforestrally.com)
