The Starting Line

REport by Bob MacDonald

SCCA is a member driven organization and I am starting out this month with a little member news. First, on a sad note, long time member and Road Racing Steward Jim Green passed away on April 5th. He will be dearly missed by many of us and we send our condolences to his wife Gail and his family on his passing. Jim's obituary is posted at www.stjohnfh.com

Second, in the February issue of the Blower we inadvertently missed including the 2023 Regional Champ Series winner in SRF – SRF3 in the slide reproduction. That group was won by Bill Hornack with 323 points accumulated last season. On behalf of the region, I offer my most sincere apologies to Bill on the oversight. Please congratulate him when you see him.

Third, I've given occasional updates on long time (since he was born) region member John Hinkle. I'm pleased to report that John is able to get out in public again and showed up at both our Track Maintenance Day and the Day of Motorsports events in the past couple of weeks. It's great to see John back again!

Moving on to our events, thanks to everyone who turned out April 13th for our Maintenance Day at Nelson Ledges. In spite of the fact that it rained for several days leading up to the date, the sun came out for us. We had multiple teams who worked on tire wall maintenance in several locations around the track, cleaning in the Timing & Scoring Tower including the ground level where many of our hospitality events happen and maintenance of the Solo/Rallycross trailer.

As I write this, yesterday was our second annual **Day of Motorsports** at Nelson Ledges. A huge shoutout to **Jennifer Dietz Bradford** and **Bill Snow** who partnered as event leads this year, combining the Motorsports EXPO that Atomic Autosports had been doing with our event initiated last year. Also, thanks to Brandon Anderson and Dave Lancaster for helping with a lot of coordination and sponsorship. Speaking of, thanks to the following sponsors for the event: **Race-Keeper Data Systems, Summit Racing, Atomic Autosports, Carbotech Brakes, Nelson Ledges Road Course** and **Lake Erie Graphics**. Also, thanks to these Vendors who participated: **Ardern Cars, Hoosier Tire, Keller National Insurance** and **Tim Lally Chevrolet**. Finally, thanks to all of our Program Chairs, Specialty Chiefs and the many volunteers who showed up to make the day a success. Look for a full report and pictures in next month's Blower.

Notes from the Director's Chair Area 4 Director Update for April 2024

Race season must be coming along soon as I am starting to travel quite a bit in support of the Division, the Area, the Club, and its programs. Trips to Detroit and Kansas City were on the docket this month.

So, here's what I did this past month.....

Video Conference Meetings:

- Board of Directors (BoD) (3/4): Our February meeting was moved to the first week of March. Once again, our financials look solid. Yes, its early in the calendar year but we are meeting budgetary figures. This was the last month before our annual audit which will likely be held in April. Results from that audit will be posted on the SCCA website. We received an update from the Compensation Committee about Mike Cobb's salary and bonus package. We were informed of a couple of additions to the staff. Jeff Barrow will replace Deanna Flanagan as Director of Road Racing ([link](#)). The Club hired a Media Marketing Manager and a Social Media Coordinator (see details [here](#)). As the Club moves away from a monthly magazine, these new folks will help market the Club across many different platforms.
- Club Racing Board (CRB) (3/5): The group ran through the usual early season letters. A conversation was had about the introduction of Radical sports racers to our array of classes. Apparently there are a lot of them racing across the country and they are looking for a place to compete that's less expensive. They also worked on some agenda items for the face to face meeting to be held in Kansas City later in the month. The results of all of the CRB rules changes can be seen [here](#).
- Electrified Vehicle Advisory Committee (EVAC) (3/13): The group started working on a "Fact Sheet" for regions and venues to use when investigating EV participation. We'll also work on a definition of "hybrid" for the SCCA. As there are so many variants of a hybrid EV, we need to specify the language for our members. This will help see what cars can compete and how we deal with them.
- Touring Advisory Committee (TAC) (3/18): As the EVAC has been working on language for a Touring Electric class, the TAC had some questions about the rules package. I sat in on their meeting and discussed the rules set with them. They offered some valuable suggestions and I walked away with some action items.
- BoD (3/25): The financials slipped a bit from budget over the last month. Nothing serious and somewhat expected as the competition season has barely started. We got an update from Heyward Wagner on the status of the Club Spec program. We approved both Club Spec Mustang and Miata MX5 rules packages. We also approved the name change for the Endurance Racing Board to the Race Experience Board and their rules package. I updated the board on the CRB's decisions for the program. Unfortunately, we also had to discuss a couple of members behaving badly.

SCCA Events:

GLDiv Convention (3/1, 3/2): The divisional convention was held at a different location this year as our old facility was under construction. That said, this site (The Summit in Fort Wayne) turned out to be a nicer offering. Like last year's event, several honchos from the National Office attended. They added much welcomed guidance. When you have national, divisional and regional managers in one room discussing a program, good things happen. Ideas about best practices and policy flow up and down the food chain and all walk away from the conversation wiser. I hope you will consider attending next year. The date (2/28, 3/1) and same location have been set and details will follow as they become available.

Detroit Region banquet (3/10): Melinda and I were invited to the annual banquet held by Detroit Region. As they had a very tight agenda for the awards portion of the evening, I limited my remarks and only spoke for a few minutes. The dinner was nice (Mediterranean buffet) and the conversation at our table was fabulous. We had a wonderful time and thoroughly enjoyed the evening.

CRB (3/22, 3/23): Like last spring's meeting, this gathering was solely focused on the long term and strategic planning for the Club Racing program. I spoke with the CRB Chair (John LaRue) several times over the last few months on this topic. We agreed on many points and chatted about how to guide the conversation and keep everyone focused. Serious discussions were held and some serious decisions were made. Decisions that should have been made over the course of the last few years. But bold decisions about policy are tough to come by and this group should be commended for their aggressive conclusions. The changes made will take a few months to formulate and announce. It will take even longer to implement. Of course, these changes will not please everyone but rest assured that the CRB has the best intentions for long term program health. They made some necessary decisions.

=====

Be sure and visit the [GLDiv website](#) for information about all of the SCCA programs within the division. We have schedules, official's contact info, standings, etc. for all the SCCA programs.

Please take a few minutes and make sure your contact information is accurate in the SCCA database. It's important to have the correct information there so the club knows how to contact you. Log in to your my.scca.com page and check.

There is a new path to getting your annual waiver. You can now get it through the Member Account Portal (MAP). Follow this [link](#) to get the instructions. There is also a story about the program [here](#). I've done it and it only takes a couple of minutes. Be prepared to upload a headshot picture of yourself.

Thank you for your time and I look forward to hearing from you soon. Please feel free to contact me with any questions or comments you may have about any facet of the GLDiv. I want you to make the most of your membership and I will help out in any way possible to make that happen.

Some photos from the Day of Motorsports event at Nelson Ledges April 20. In addition to many road race, rally and Solo cars on display, there was a Cars and Coffee car show.

Thank you, Turn13photo, for providing the photos on this page and the next.

The track ride-alongs (below) were very popular.

REport continued from page 1

Now, turning our focus forward, things are heating up substantially event wise in the coming weeks. We have an updated view of the year ahead on page 10. Items highlighted in BLUE are confirmed NEOHIO Region events. Items highlighted in GREEN are from the Great Lakes Division Calendar and the SCCA National website. Please note that the **RallyCross** that was tentatively showing on May 11th is being postponed to a new Tentative date of **July 6th**. Look for more information soon.

Most immediately, there is a **Solo Test & Tune** at the **Eastlake** (Captains) Parking Lot on **April 27th**. We have a one-day **Time Trial** on **May 4th**, fittingly named "**May the Fourth be with You**". That same day, **May 4th**, **Solo Points event #1** will be at the **IX Center**. On **May 11th**, we are hosting the **Neohio SCCA 12 Hour Enduro at Nelson Ledges**. Please talk this event up as we would like to see more competitors and volunteers join us. Finally, on **May 18th** we have the **Ohio Milk Run Rally** by Rallymaster Ron Johnstonbaugh. By the time you read this, registration should be open for all of these events in the appropriate places on Motorsports Reg (MSR). Please sign up and come join in the fun!

Road Rally Update by Greg Lester

2024 SCCA GLD Rally Championship Schedule:

The next event on the 2024 GLD schedule is Neohio Region's **Ohio Milk Run** rally. Starting in Wooster, rally-master Ron Johnstonbaugh has crafted a course that winds through the hills of Ohio's Wayne, Holmes, Knox and surrounding counties. The rally's name is a homage to a motorcycle enduro that ran in the same area. More information is available, and registration is open here: msreg.com/OMR24

The following 2024 GLD Championship rallies remain in the works:

May 18 - **Ohio Milk Run**, Wooster, OH. Neohio Region (Registration is open here: msreg.com/OMR24).

June 1 - **Twilight Tour**, Lansing(?), MI. Detroit Region.

August 17 - **Name TBD**, Bolivar(?), OH. Neohio Region.

September 7 - **1st POR**, St. Ignace, MI. Detroit Region.

September 7 - **2nd POR**, Manistique, MI. Detroit Region.

October 19 - **Johnny Appleseed**, N. Canton, OH. Neohio Region.

November 2 - **Pavement Ends**, Roscommon, MI. Detroit Region.

Look for date changes, and the addition of other rallies as the schedule solidifies. Please contact GLD Rally Steward Rob Moran (RTMoran2008@yahoo.com) with any questions.

2024 Day of Motorsports: Neohio Region, SCCA will host the second annual(?) Day of Motorsports on Saturday, April 20, 2024 at Nelson Ledges Road Course (10342 Ohio Route 305, Garrettsville, OH 44231, N41°18.588' W081°00.958'). This will be an opportunity to learn about "All Things SCCA ". There will be representatives from all of the Club's programs on hand to answer questions, and tempt you to come out and participate in something new.

2024 Southern Ohio Forest Rally (SOFR) For those who enjoy stage rallying (flat-out racing against the clock over closed forest roads), this year's Southern Ohio Forest Rally (SOFR) will take place June 6-8. SOFR will be an American Rally Association (ARA) National Championship event. It will start with a Thursday evening stage through Chillicothe's Yoctangee Park. Friday stages will run in Shawnee State Forest (near Portsmouth), and Saturday stages will run in Zaleski State Forest (near McArthur).

As always, a "cast of thousands" of volunteers, with a wide variety of skills, is needed to make this event successful. Amateur radio operators and emergency medical personnel are particularly in demand. There will be an **in-person orientation session for new rally volunteers on Saturday, March 9, 2024 in Chillicothe, Ohio**. Look for details at southernohioforestrally.com or send a message expressing your interest to volunteers@southernohioforestrally.com

Longtime Neohio member Jim Green passed away on April 5th. Jim and his wife Gail were always on hand at Neohio events at Nelson Ledges, serving as volunteers in several capacities. He is remembered as a friendly, welcoming presence at our events. Jim, you will be missed.
