The Starting Line

REport by Bob MacDonald

The last few weeks have most likely been the busiest in NEOHIO's motorsports season! Between June 21st and July 7th we hosted four events. Our **Solo National Tour** event at the IX Center drew nearly 150 entries and the very next weekend we hosted an **SCCA Pro-Solo** at the same venue with over 200 entries! Both events got very positive reviews. Thanks to Jonathan Staggs and our stalwart local Solo participants for putting on two great events.

On the same weekend as the Pro-Solo, we hosted the **Jim Green Memorial Divisional Club Race** presented by **Zuber-Gardner, Stupid Fast Tires** and **Carbotech Performance Brakes** with the pace car provided by **Tim Lally Chevrolet** at Nelson Ledges. We had solid fields for both days and the racing was great! Saturday evening's party included a touching celebration of Jim and many of his family members were in attendance. As a special treat, Jim's granddaughter, Brooke Ruchalski threw the green flag on the Spec Miata Race on Sunday. It was a wonderful weekend and a fitting tribute to a man who played many important roles in this region through the past several decades. As an innovative part of that weekend, we hosted the **NEOHIO Team Challenge**. I believe 8 teams were formed (mostly at the track) and three winning teams received **Summit Racing** Gift cards and cash prizes.

Finally, on July 6-7 we hosted the **Stars and Stripes Time Trial** presented by **Atomic Autosports** and **Summit Racing** at Nelson Ledges. These two days were events 4 and 5 in the OPTT (Ohio Pennsylvania Time Trial) Challenge presented by Hawk. Congratulations to Brandon Anderson for putting on a really fun event. We had over 40 entries and full results are on page 6.

Next up are a series of Solo events. Our Solo program has really become very robust thanks to the work of Brandon Anderson (former Program Chair) and Jonathan Staggs (current Solo Program Chair). In particular, this season, we have the added benefit of full season sponsorship for the program from **Leroy Engineering**. Please look for additional information on their business in this edition of the Blower.

Keep using the website's promotion form for all program announcements.

A check request form has also been added to the website.

Old Business:

Bob MacDonald noted there is one last edit to the proposed Constitution before it will be sent on to the Board and Officers for their comments. The goal is to get it on the ballot for the November annual meeting.

The issue of the 2023 Enduro entrant who did not participate and wants their money back is still open. It was noted the offer of track credit to be used in 2024 is still valid.

After discussion about the Awards Celebration, it was decided we should reserve the same space as last year (Winking Lizard Party Center in Bedford Heights) for Saturday February 22, 2025. Bill Crowe moved to reserve the room for the Awards Celebration for February 22, 2025 with \$1,000 deposit, seconded by Brenda Nick, and approved without objection.

John McFarland is proceeding with early planning for the Piston Power Show. He is to talk with Ken Kovach as he has done it before.

Joe Blaha also requested a \$175.00 budget to renew our Zoom account. Kurt Stevens moved to approve a budget of \$175.00 for Zoom renewal, seconded by Matt Harbert, and approved without objection.

944 Fest Rally-X - Saturday, August 31, 2024:

Plans are underway for Neohio Region, SCCA to host a Rally-X on Saturday, August 31, 2024 at Nelson Ledges Road Course (10342 Ohio SR 305, Garrettsville, Ohio 44231). This event will take place in conjunction with the 944 Fest, an annual gathering of devotees of the Porsche 944.

Jim Green's granddaughter Brooke waved the green flag!

Neohio Region would like to extend our thanks to Summit Racing Equipment for their longstanding support of Neohio Region and motorsports activities in our area! Please show your support by being a customer of our home-grown speed shop.

More photos from the Solo event at the IX Center. Thank you Mike Wyban!

. Quickly recapping, **Leroy Miata Cup Race #2** is at Eastlake on July 28th. **Solo Points Event #3** is at the IX Center August 11th and **Solo Points Event #4** is there on August 31st. Plenty of opportunities for some fast fun!

On August 31st we are also highly committed and looking forward to hosting a **RallyCross** as part of the **944 Fest** weekend at Nelson Ledges. This is a great event that has been steadily building a good following. Competitors can bring any make and model of vehicle that meets RallyCross safety standards (not just 944s). We would also really like to have a handful of volunteers come out to help this event run smoothly, and as a bonus you get time to tour the 944 Fest paddock and check out hundreds of Porsches. It's a unique event with lots of friendly people sharing their passion for sports cars, and especially the Porsche 944. Check it all out at <https://944fest.com/>

Finally, we have unfortunately lost our venue for **Tire Rack Street Survival** that was initially scheduled for June 15th. If you know of a facility that has a parking lot (or two) big enough to do some slalom, braking exercises and a small skid pad as well as some interior space for classroom and meals, please reach out to Bryan Hall (listed on the contacts page) and give him your suggestion. Ideally, we would like to try and schedule an event sometime in late October or early November.

We have an updated view of the balance of the year on page 10. Items highlighted in BLUE are confirmed NEOHIO Region events. Items highlighted in GREEN are from the Great Lakes Division Calendar and the SCCA National website. I look forward to seeing you at an event soon!

Thank You to Our Neohio Sponsors!

For 2024 Neohio Region has been able to obtain multiple sponsors to help support our competition programs. I would like to inform our members who is contributing with hopes that you support these companies with your patronage. Many of these companies are owned by Club Members. When you see representatives from these organizations, please recognize them with a quick thanks for supporting Neohio Region to keep them engaged.

Summit Racing Equipment is the Neohio Regions largest sponsor in 2024. Summit has been a great partner by providing financial and merchandise support to help all of our competition and social events for the past three years.

Zuber & Gardner CPA's is a new sponsor for 2024. Dave Zuber has been a long-time competitor and is supporting our region with a substantial financial contribution as our Prime Club Racing sponsor for 2024. In addition to having a CPA and Business Consulting firm, Zuber & Gardner CPA offers a Motorsports Division that is willing to discuss options to help with your motorsport business.

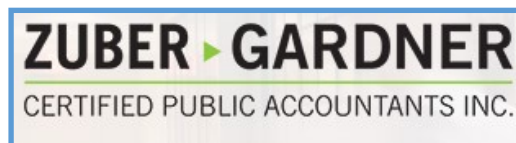

Carbotech Brakes is a long-time sponsor and supporter of the Neohio Region. Carbotech contributions are also utilized to help finance our Club Racing efforts at Nelson Ledges. We thank Mike Puskar for his continued support of the Neohio Racing Program.

Stupid Fast Tires is an Associate Sponsor for 2024. Aaron has stepped up in 2024 with a financial contribution to help the region in addition to providing tire services at our Club Racing Events.

Atomic Autosport is the Primary Sponsor for our Time Trial Program and has also provided a substantial financial contribution to help support our Time Trial efforts. The Atomic group led by Bill Snow also provides us with good food and great parties after our events.

Leroy Engineering is another new sponsor for 2024. The team at Leroy has not only taken over managing our Solo Program, but they also provided a major financial contribution to help fund Autocross Events in 2024. Way to jump right in Jonathan and team Leroy!

It is great to work with such supporting companies and recently I have spoken with two new companies that wish to help our region. Members, please keep up the good work in recognizing these companies!
