The Starting Line

REport by Bob MacDonald

.It's mid-February and we kicked off the 2025 competition season on February 1st with the **Ohio Winter Rally**. Eight teams finished the event in spite of numerous snow covered roads. Check out the full story on our website at <https://neohioscca.com/blog/a-snowy-adventure-ohio-winter-rally-results-and-pictures/>

This coming weekend (February 22nd) we will have our **Annual Awards Celebration** at the Winking Lizard Party Center. The casual format with lots of opportunities to catch up with our motorsports friends in the off-season has been popular so we're sticking with it. Hopefully you can come and join us as we celebrate our mutual accomplishments during the 2024 season. We will also be inducting two new members of the **NEOHIO Hall of Fame**. See the details elsewhere in this edition of the Blower.

Our **social event** at **Atomic Autosports** for the start of the Rolex 24 at Daytona was a hit with a great turnout. Obviously, we will be socializing at the Awards Celebration and then there is talk of a go-karting event at **High-Voltage Karting** in Medina for March. Watch for information to come.

I'm pleased to report that NEOHIO Region is back in the **Street Survival** business. The fine folks at Drive Team in Peninsula have provided their facility as a venue for our next event on April 6th. This is an outstanding skills training opportunity for drivers between the time they get their Learner's Permit and graduate college. Many volunteers will be needed to make this a successful event. If you're interested, please reach out to Bryan Hall streetsurvival@neohioscca.com. If you and/or your friends have young drivers that will benefit from this program they can register now at www.streetsurvival.org listed as Drive Team, Inc.

If you missed all or part of the **SCCA National Convention** sessions are now on SCCA.com. Go to the Member Account Portal (MAP) and look under "My Learning". Choose Member Content and select National Convention. For those who prefer a more in-person experience, the **Great Lakes Division Spring Training Conference** will take place Saturday March 1st at Manchester University in Ft. Wayne Indiana. This year 10 SCCA National Office team members including President & CEO, Mike Cobb will be there in person to conduct sessions in their specialties and listen to members. Full information and Registration is available at <https://www.motorsportreg.com/events/gld-spring-conference-2025-manchester-university-fort-wayne-scca-great-254780>.

Finally, plans are moving forward rapidly for our third annual **Day of Motorsports** at Nelson Ledges on Saturday April 19th. This event is designed for and open to non-members. That said, we would like to see all of our members there. The goal is to introduce our programs to motorsports enthusiasts so they will participate in our various events as either a volunteer or competitor and ultimately join our club. **This is your chance to help build all of our programs by coming out and sharing your experiences and hopefully making some new friends who share your interests.**

Notes from the Director's
Chair Area 4 Director Update

It's been a really tumultuous month around here....both personally and with regards to the club. In the middle of preparing for the EVAC convention presentation, my BoD colleagues met and decided to make me the interim Club Racing Board (CRB) Chair. Throw in that we're remodeling my bathroom, replacing the upstairs flooring and I celebrated a birthday and the last few weeks have been a handful.

I had the pleasure of sitting in on several convention sessions. I hosted one (EVAC update), was a panelist on another (Road Racing Town Hall) and was an attendee for a couple of others. While a face to face convention is always nice as you get to see folks in person, the virtual convention is a much better tool for conveying information to attendees.

Now that the national convention is over, it's time to turn to our focus to our own divisional convention which will take place on Saturday, March 1st in Fort Wayne, Indiana. As usual, Val McCammon is spearheading the effort. Like past years, there will be an optional Friday night social portion too. This event will return to Manchester University on the north side of town right off I-69. That's the location we used in 2022 and 2023. Many folks from the National Office will be there. It's an excellent opportunity to learn about club policies, event management and best practices. National, divisional and regional officials will all be in one place to hold discussions and offer guidance. For more information about the event, please click on this [MSR link](#) with event details and a registration path. Contact Val ([email](#)) if you have any questions.

Now back to the normal detritus of this update.....here's what I did since my last report.....

Video Conference Meetings:

Club Racing Board (CRB) (1/7): The feasibility of class combinations was discussed.

A conversation was held about bringing back driver's meetings at the Runoffs. The group scheduled a face to face meeting in Kansas City for the Spring. The dates will be April 11th and 12th. The results of all of the CRB rules changes can be seen [here](#).

Electrified Vehicle Advisory Committee (EVAC) (1/8): With the holidays and the usual off season lull, I decided to cancel this meeting.

Board of Directors (1/27): The club finished the year strongly and showed a good profit for the year. This was higher than expected (budgeted). Expenses were down while memberships and licenses were up. This is a recipe for moving forward into 2025 from a solid position. Mike Cobb gave his report and told us that the numbers from the convention were great and the response to the content was also excellent

Be sure and visit the [GLDiv website](#) for information about all of the SCCA programs within the division. We have schedules, official's contact info, standings, etc. for all the SCCA programs.

Please take a few minutes and make sure your contact information is accurate in the SCCA database. It's important to have the correct information there so the club knows how to contact you. Log in to your [my.scca.com](#) page and check.

There is a new path to getting your annual waiver. You can now get it through the Member Account Portal (MAP). Follow this [link](#) to get the instructions. There is also a story about the program [here](#). I've done it and it only takes a couple of minutes. Be prepared to upload a headshot picture of yourself.

Thank you for your time and I look forward to hearing from you soon. Please feel free to contact me with any questions or comments you may have about any facet of the GLDiv. I want you to make the most of your membership and I will help out in any way possible to make that happen.

REport continued from page 1

Please plan to attend and invite as many people as you know that might enjoy #funwithcars.

In this issue we have published an updated view of the year ahead, including new Solo dates at Eastlake on page 12-13. Items highlighted in BLUE are confirmed NEOHIO Region events. Items highlighted in GREEN are confirmed to the best of our knowledge. For our **Racers, Time Trialers** and volunteers, we have scheduled a **Work Day** at Nelson Ledges on April 12th.

Our sponsorship program continues to grow. This is important because these businesses support our region, making events more robust and affordable. Please look for our sponsors and advertisers throughout the Blower and continue to support them so they continue to help us.

In the meantime, I look forward to seeing you at an event soon!

2025 Neohio Hall of Fame Induction

To honor those who contributed to the region through their volunteer work or who brought honor to the region for their accomplishments

Neohio Region would like to thank the Hall of Fame Committee for their time, effort and selection process. Sherrie Weitzenhof, Chair, Jeff Blumenthal, Dorothy Harrington, Brenda Nick and Bob Roberts.

Our 2025 inductees are:

Martin Dodenhoff

Martin Dodenhoff, his wife Sara and his Bugeye Sprite moved to the Cleveland area shortly after the middle of the '60s.

Supporting his passion for SCCA sports car racing, he became co-founder and owner of The Winners Circle in Rocky River, Ohio in 1970. The Winners Circle became the "go to" store for racing aficionados. Martin's many victories on race tracks across the country led him to hold the course record at several tracks, including Road Atlanta. In 1967 he finished 4th at the runoffs in Daytona. 1968 brought 8 straight national wins in the CENDIV but he skipped the trip to Riverside.

By 1972 he was at the Road Atlanta runoffs and qualified on the pole but finished second to Randy Canfield. By 1977 he sold the Sprite and was driving a factory supported TR7 in which he finished 9th at Atlanta. In 1983 driving a borrowed Sprite in GP he qualified on the pole at the runoffs and again finished 2nd. He drove the same car in 1985 and finished 4th after winning the CENDIV with 6 national wins. In 8 trips to the runoffs he never finished lower than 9th. He also raced a Spridget and Lotus Europa.

Dody, as Martin was known in racing circles, also officiated at driver's schools for the NEOHIO region and helped several Sprite drivers learn to go faster. He could always be recognized at races by wearing a disreputable straw hat and talking with everybody.

Preliminary 2025 GLD Rally Series Schedule:

Michigan Winter Rally, Saturday, February 22, 2025:

The next event in the 2025 SCCA Great Lakes Division Rally Championship series is the **Michigan Winter Rally** (MWR) on Saturday, February 22, 2025. More information is available, and entry is open here: msreg.com/MI-Winter-II-TSD

2025 GLD Rally Series Schedule:

The following rallies remain on the 2025 SCCA GLD Rally Championship series calendar:

February 22 - **Michigan Winter Rally II**, Clare, MI, Detroit Region, SCCA (More information can be found, and registration is open here: msreg.com/MI-Winter-II-TSD)

August 16 - **CAST In Stone**, Alliance(?), OH. Neohio Region, SCCA.

September 5/6 - **Press On Regardless** (POR), Gaylord(?), MI. Detroit Region, SCCA.

October 10 - **Johnny Appleseed**, Canton(?), OH, Neohio Region, SCCA (USRRC)

October 11 - **Ohio Milk Run**, Marietta(?), OH, Neohio Region, SCCA (USRRC)

Look for date changes, and for other rallies to be added to the schedule soon. Please direct inquiries about the series to GLD Rally Steward Rob Moran (RTMoran2008@yahoo.com).

2025 SCCA US Road Rally Challenge (USRRC), October 10-12, 2025

After being asked once again to seriously consider hosting the SCCA US Road Rally Challenge, Neohio Region has agreed to present three rallies over three consecutive days in October. Here are the (very preliminary) concepts for these rallies:

- 1) Friday, October 10 - **Johnny Appleseed**, Canton, Ohio. Absolutely straightforward afternoon/evening TSD rally heading southeast through Ohio's Muskingum Watershed Conservancy District, and on south through the Appalachian foothills to an overnight halt in/near Marietta, Ohio. The Johnny Appleseed name is a legacy from a National Rally first hosted by Neohio Region in the 1950's. The rally has changed form over the decades, but the name endures.
- 2) Saturday, October 11 - **Ohio Milk Run**, Marietta, Ohio. Absolutely straightforward TSD rally running northbound, and parallel to, but slightly west of Friday's route. The Milk Run name is an homage to an old motorcycle enduro that ran in the same area.
- 3) Sunday, October 12 - **Cleveland Alley Rallye**, Cleveland, Ohio. The Alley Rallye will be a resurrection of a once hugely popular annual event organized by the now-defunct Cleveland Sport Car Club, starting in the 1950's. It is a lighthearted tour that will introduce participants to the full spectrum of Cleveland's urban landscape: the post-industrial "Flats", distinct ethnic neighborhoods, grids of narrow brick streets separating century-old warehouses, mazes of alleys and loading docks beneath theaters and office towers, and breathtaking views of the mighty Cuyahoga River (yes, THAT Cuyahoga - the one that burned!).

Mark your calendars now.

Remembering John Hinkle

Our racing community lost a friend and competitor with the passing of John Hinkle in mid-January.

John's parents were members and volunteers and he inherited their love of coming to the track, sharing a laugh and being with his racing family. John cared about those around him and never lost his sense of humor. You will be missed.

Hall of Fame Induction continued from page 8 Maurice LaFond

Maurice's Neohio membership goes back to March 1979, but he was a member of SCCA while stationed at Fort Campbell, KY in 1974-1975. While there he raced his street Opel Manta in Autocross, Rally, and Road Racing - back when you raced what you drove to the track. He crewed for Paul Newman, Fred Baker, and Roger Bighouse during the early years as well.

Since joining Neohio Maurice has not only raced himself in FV, FF, FC, and IT, but crewed for many drivers over the years including his wife, daughter, and former son-in-law. His biggest mistake was putting his wife and daughter on the race track at the same time, there is still discussion as to who hit who! He has rented out his Honda race cars over the years to approximately 15 drivers to get their competition license.

He started out as a Tech Inspector after having a "non-compliant" part in his Ford Fiesta and Barry Kaplan said that if he came back to the track he had to plan on working Tech. Maurice thought it was a joke but it was not. This started a long term friendship which eventually led to him becoming the Chief of Tech for Neohio for the last 25 years. He will often go to driver's homes or businesses to do annual tech inspections on racecars and help with new car builds to make sure that competitors are on the right track with their racing dreams. He helped with the development of Safety Day training, working with others to build the "Flipover" car to demonstrate extrication process for F&C and Safety personnel.

He has also worked F&C on various occasions when the need arose for extra help, especially during the 24 hour races.

In the last few years he started in the Stewards program and had his first time as Chief Steward this past October.

He also was instrumental with the Neohio Annual Tech Days and Competition Clinic. At the Clinic he helped with the building of a SM and issuing the annual tech, as well as teaching attendees about how to get involved in SCCA racing.

Maurice is the type of person that very seldom says no to anyone when it comes to helping with their racing and has even taken parts off his own car to help them. He has also been the recipient of Neohio's Elden "Dutch" Moore Award, Bill Benham Award, and Trustee's Award (several times).

STREET SURVIVAL EVENT APRIL 6

Do you worry about your teenage driver or know someone who does?

The Tire Rack Street Survival® Program is meant for you!

Motor vehicle accidents are the number one cause of death for teenagers in the US. In fact, more teens die as a result of motor vehicle crashes than from drugs, guns and violent crime combined.

The Tire Rack Street Survival® program is a teen safe driving program designed to go beyond driver's education and give our young drivers the hands-on experience and tools to become safer, smarter drivers. The program provides:

- Trained, qualified in-car driving instructors and classroom educational experience for each student.
- Hands-on educational driving experience in real-world situations teaching teens car safety and control in their own vehicles
- Challenging driving situations, including skid control and emergency lane change on closed courses allowing students to experience abnormal vehicle behavior in a safe and supervised environment
- A greater sense of awareness regarding sharing the road with other vehicles and focusing on controlling the student's own vehicle

Neohio SCCA in cooperation with Drive Team is bringing this program to Northeast Ohio at the Drive Team Facility, 4445 State Road, Peninsula, Ohio on Sunday, April 6, 2025. The program runs from 8 AM to 4 PM. The registration fee is \$125 and includes continental breakfast and lunch. The program is open to drivers 15 to 23 years of age on a learner's permit or a regular driver's license. To sign up, go to Drive Team Inc. at www.streetsurvival.org

Neohio recently lost another long-time member, Jim Pracker (green shirt in picture). He was a valuable member to the Safety Team at Nelson Ledges and helped throughout the years with the radio communications there as well. Jim, you will be missed.

Thank you Leroy Engineering for your support of NEOHIO Solo!
