The Starting Line

REport by Bob MacDonald

URGENT! Registration is closing for our **Stars & Stripes Endurance Experience** on Thursday (6/26) at midnight and the **Stars & Stripes Time Attack** on Friday (6/27) at midnight! The Time Attack is the next event up in the OPTT Challenge series. Novice, Intermediate and Advanced drivers are welcome as always. **We have added an OPEN WHEEL run group to this event.** Please pass the word. Registration is open at <http://msreg.com/starsandstripestt25>.

The Endurance Experience includes a 3-hour Enduro on Saturday and a 2-hour Enduro on Sunday. Race Experiences are open to SCCA members with or without previous racing experience or racing licenses. Car requirements focus on safety equipment and there is a performance cap. Learn more and enter at <http://msreg.com/starsandstripesexperience25>.

We would love to see more competitors in both events. If you're not competing, please volunteer to work one of the specialties. I'm confident that more help will be appreciated in any area that interests you. All participants (competitors and volunteers) are invited to the Atomic Autosports sponsored Taco dinner Saturday after racing is done for the day. This is a can't miss event!

SAVE THE DATE! August 14, 2025 will be **Racers & Pacers Night at the Crawford!** This event is centered around the new exhibit that features the 1961 MG Midget that Cat Kizer drove to a 1979 Runoffs Championship. The event includes a "Chat with Cat" as she and David will be in attendance. Tickets are \$20 in advance or \$25 at the door and include admission to the museum (normally \$15) and event, light appetizers, beer, wine and soft drinks. It would be outstanding to see a huge turnout from our membership to acknowledge this honor and SCCA presence in the museum.

Looking back, 54 competitors turned out for **Solo Points Event #2** on June 8th at the IX Center. Results are available on www.NEOHIOSCCA.com. As you are reading this, we are having or just had a **Solo at Eastlake** on June 21st and a **Solo School** there on June 22nd. This year our Solo program is offering a "Season Pass" which is a great opportunity to save on entry fees for the series. Registration for all events is open now!

Also, please keep in mind and support the **Solo Nationals** at the IX Center on July 11th to 13th. This is our third consecutive year hosting this event. It has sold out the last two years. Let's keep the momentum going! Please contact Jonathan Staggs (SoloChair@neohioscca.com) for more information on this event.

In this issue we have published an updated view of the year ahead on page 12. Items highlighted in BLUE are confirmed NEOHIO Region events. Items highlighted in GREEN are confirmed to the best of our knowledge.

Notes from the Director's Chair
Area 4 Director Update June 2025

June has me visiting Road America for the June Sprints (6/5-6/9) and volunteering as Pace Car pilot at a WMR Regional at Grattan Raceway (6/14, 6/15). Meanwhile, the CRB and BoD are getting ready for a face to face meeting in Kansas City in July and the CRB is working hard to prepare for the Runoffs at Road America.

Here's what I did since my last report.....

Video Conference Meetings:

Club Racing Board (CRB) (5/6): I reported on my conversation with Sean Hedrick (Spec Miata Advisory Committee Chair). He had some useful ideas about reaching out to the drivers corps to get them more engaged. There was a conversation about entry numbers for the program so far this season. It appears we are down a bit from last year. This is probably due to a variety of economic conditions which have created uncertainty in budgeting. We discussed the agenda for our upcoming face to face meeting in Kansas City. We also chatted about the preparation for the Runoffs. The results of all of the CRB rules changes can be seen [here](#).

Electrified Vehicle Advisory Committee (EVAC) (5/14): The committee hosted a couple of guests (Jim Garry-NEDiv Solo Safety Steward and Chris Robbins-SCCA Regional Development Director). The EVAC offered guidance to Jim on how his division could implement some basic awareness and safety protocols for EV participation at Solo events. Chris shared how we could use previously created content to generate modules on EV safety for the online Solo Safety Steward refresher course as well as other online safety courses. We also discussed how to integrate the Prototype Electric (PE) and Electric Touring (ET) into the GCR.

Board of Directors (5/19): Due to the Memorial Day holiday, this meeting was held a week earlier than normal. Our financial posture is fine. We are still a bit behind budget but have plenty of time to adjust. We discussed a format change for our F2F meeting in Kansas City in July (7/25, 7/26). The new BoD Chair (Bob Crawford) wants to be able to spend more time on pertinent topics and less on staff updates. This would allow for deeper dives into salient discussions. We also wrapped up the topic of the gender pronouns in our documents. A plan is now in place to revise all SCCA documents (rules packages, by laws, training manuals, etc.) over the next few months. Please be patient as this will take some time to achieve.

SCCA Events:

OVR @ MidOhio (5/16-5/18): I travelled to this event as both Area 4 Director and CRB Chair. I wanted to see how the event was run by the region and national staff. I also used the trip to schedule conversations with several people while I was at the track. The weather was chaotic.

Continued on next page.

Continued from previous page

The weather was chaotic. 90⁺F on Thursday for load in, almost as warm on Friday and then cold and windy with on and off showers for Saturday and Sunday. Very nasty storms Friday night/Saturday morning left some canopies in disarray. Ugh! By and large the races went off smoothly. The Production cars had a lap one incident that caused a full course yellow for the rest of the session on Saturday. The remaining groups all went fairly well. I'd count the event as a qualified success. While the entry count was down from 2024, the region put on a pretty good event.

Special Event at the Crawford Auto Museum Thursday August 14

Join us Thursday, August 14, for Racers & Pacers Night at the Crawford!

We'll have race cars and pace cars from the Crawford collection and a "Chat with Cat," featuring Cat and David Kizer.

The Kizers recently donated their beautifully restored 1961 MG Midget race car to the Crawford, which Cat drove to a Sports Car Club of America (SCCA) Runoffs Championship in 1979. In doing so, Cat became the first woman to win the Runoffs. Cat's racing career included a win at the Longest Day of Nelson Ledges (24 hour race), and she was the first woman to win a race at Mid-Ohio Sports Car Course.

Tickets are \$20 in advance or \$25 at the door, and include admission to the museum and the event, light appetizers, beer, wine and soft drinks.

GLD RALLY UPDATE/SCHEDULE

CAST In Stone Rally, Saturday, August 16, 2025:

The next event in the 2025 SCCA Great Lakes Division Rally Championship series is Neohio Region's **CAST In Stone Rally** on Saturday, August 16, 2025. More information will be available, and registration will open soon on motorsportreg.com (MSR).

2025 GLD Rally Series Schedule:

The following rallies remain on the 2025 SCCA GLD Rally Champ series calendar:

August 16 - **CAST In Stone**, Canton, OH. Neohio Region, SCCA.

September 5 - **Friday Press On Regardless** (FPOR), Gaylord, MI. Detroit Region, SCCA (More information, and registration here: msreg.com/POR-2025)

September 6 - **Saturday Press On Regardless** (SPOR), Gaylord, MI. Detroit Region, SCCA.

October 10 - **Johnny Appleseed**, Canton, OH, Neohio Region, SCCA (USRRC)

October 11 - **Ohio Milk Run**, Marietta, OH, Neohio Region, SCCA (USRRC)

Look for date changes, and for other rallies to be added to the schedule soon. Please direct inquiries about the series to GLD Rally Steward Rob Moran (RTMoran2008@yahoo.com).

2025 SCCA US Road Rally Challenge (USRRC), October 10-12, 2025

After being asked once again to seriously consider hosting the SCCA US Road Rally Challenge, Neohio Region has agreed to present three rallies over three consecutive days in October. Here are the (preliminary) concepts for these rallies:

1) Friday, October 10 - **Johnny Appleseed Rally** (JAR), Canton, Ohio. Absolutely straightforward afternoon/evening TSD rally winding southeast through Ohio's Muskingum Watershed Conservancy District (MWCD), then south through the Appalachian foothills, to an overnight halt in Marietta, Ohio. "Tulip" style route instructions will be used. To help those with limited previous timekeeping experience stay on schedule, parenthetical perfect cumulative times will be provided for nearly all instructions. The Johnny Appleseed name is a legacy from a National Rally first hosted by Neohio Region in the 1950's. The rally has changed form over the decades, but the name endures. Rallymaster: Greg Lester.

2) Saturday, October 11 - **Ohio Milk Run** (OMR), Marietta, Ohio. Another absolutely straightforward TSD rally running northbound, and parallel to, but slightly west of Friday's route. The Milk Run name is an homage to an old motorcycle enduro that ran in the same area. Rallymaster: Ron Johnstonbaugh

3) Sunday, October 12 - **Cleveland Alley Rallye**, Cleveland, Ohio. The Alley Rallye will be a resurrection of a once hugely popular annual event organized by the now-defunct Cleveland Sport Car Club, starting in the 1950's. It is a lighthearted (and lightly trapped...) jaunt that will introduce participants to the full spectrum of Cleveland's urban landscape: the post-industrial "Flats", distinct ethnic neighborhoods, grids of narrow brick streets separating century-old warehouses, mazes of alleys and loading docks beneath theaters and office towers, and numerous breathtaking views of the mighty Cuyahoga River (yes, THAT Cuyahoga - the one that burned!). Timekeeping equipment will be restricted to stock odometer and a basic four function non-programmable calculator (i.e. - all teams will run at equal disadvantage). Rallymaster: Jeff Arendas.

The Richta automated timing system will be used for all 3 rallies.

Competitors of all experience levels are encouraged to enter these rallies.

GLD Rally Program Update continued

CORC 2025 Rally Series:

Central Ohio Rally Club (CORC) will host TSD rallies in the Columbus, Ohio area on June 21st, July 19th, August 23rd, and possibly in the Fall. Contact Pat Hoffmanbeck (phoffmannb@gmail.com) for more information.

Miles For Memories (Charity) Rally:

River Cities Region, SCCA will host the Miles For Memories Rally on Saturday, May 17, 2025. Proceeds from this event will be donated to the Alzheimer's Association to support ongoing research. An informational flyer is attached, and registration is open on motorsportsreg.com.

Eric Jones Memorial Riverrun, August 30, 2025:

Riverrun is an annual all-day driving tour over wonderful roads in southern Ohio. All proceeds from the event will be donated to a Mesothelioma research charity in memory of longtime Columbus, Ohio area rallyist, and British car service/restoration business proprietor Eric Jones.
