## The Starting Line

*REport by Bob MacDonald*

It's mid-February and we kicked off the 2026 competition season on January 31<sup>st</sup> with the **Ohio Winter Rally**. Sixteen teams finished the event (twice as many as 2025!) in spite of numerous snow covered roads. Read more and find results on our website at <https://neohioscca.com/blog/ohio-winter-rally-a-tale-from-team-5/>

This coming weekend (February 21<sup>st</sup>) we will have our **Annual Awards Celebration** at the Winking Lizard Party Center. The casual format with lots of opportunities to catch up with our motorsports friends in the off-season has been popular so we're sticking with it. Hopefully you can come and join us as we celebrate our mutual accomplishments during the 2025 season. We will also be inducting two new members of the **NEOHIO Hall of Fame**. See the details elsewhere in this edition of the Blower. Registration is open until February 17<sup>th</sup> or until we sell out. Here's the link: <https://msreg.com/awardscelebration26>

Our members have been getting together socially over the winter and having some fun. A bunch of folks turned out for Motorsports Night with the **Cleveland Monsters** and cheered our home team on to an overtime win! **Atomic Autosports, McCann Racing and Track First** hosted an event for the start of the Rolex 24 at Daytona that was a hit with a great turnout. Obviously, we will be socializing some more at the Awards Celebration mentioned above.

We're on track to hold one or two more **Street Survival** events in 2026. We're targeting a spring/early summer date and a fall date. The fine folks at Drive Team in Peninsula have provided their facility as a venue for October. We're still working on details for the next event and we hope to have those to you soon. This is an outstanding skills training opportunity for drivers between the time they get their Learner's Permit and graduate college. Many volunteers will be needed to make this a successful event. If you're interested, please reach out to Bryan Hall at [bryan\\_hall5000@sbcglobal.net](mailto:bryan_hall5000@sbcglobal.net).

If you missed all or part of the **SCCA National Convention** sessions are now on SCCA.com. Go to the Member Account Portal (MAP) and look under "My Learning". Choose Member Content and select National Convention. For those who prefer a more in-person experience, the **Great Lakes Division Spring Training Conference** will take place Saturday February 28<sup>th</sup> at Manchester University in Ft. Wayne Indiana. This year 8 SCCA National Office team members including President & CEO, Mike Cobb will be there in person to conduct sessions in their specialties and listen to members. Full information and Registration is available at <https://www.motorsportreg.com/events/gld-spring-conference-2026-manchester-university-fort-wayne-scca-great-112326>.

*Report continued from page 1*

Finally, plans are moving forward rapidly for our fourth annual **Day of Motorsports** on Saturday April 25<sup>th</sup>. This event is designed for and open to non-members. That said, we would like to see all of our members there. The format will change a bit this year as we won't be at Nelson Ledges. However, the goal continues to be to introduce our programs to motorsports enthusiasts so they will participate in our various events as either a volunteer or competitor and ultimately join our club. **This is your chance to help build all of our programs by coming out and sharing your experiences and hopefully making some new friends who share your interests.** Please plan to attend and invite as many people as you know that might enjoy #funwithcars.

In this issue we have published an updated view of the year ahead, including new Solo dates at Eastlake on page 10-11. Items highlighted in BLUE are confirmed NEOHIO Region events. Items highlighted in GREEN are confirmed to the best of our knowledge. For our **Racers, Time Trialers** and volunteers, we have scheduled a **Work Day** at Nelson Ledges on April 18<sup>th</sup>.

Our sponsorship program continues to grow. This is important because these businesses support our region, making events more robust and affordable. Please look for our sponsors and advertisers throughout the Blower and continue to support them so they continue to help us.

In the meantime, I look forward to seeing you at an event soon!

**Join us February 21st at the Winking Lizard  
for our Annual Awards Celebration!**

**MSR Registration closes February 17th!**

**THANK YOU Carbotech Brakes!**  
Longtime supporter of Neohio  
Region and a major sponsor of our  
events at Nelson Ledges!
