The Starting Line

REport by Bob MacDonald

As the summer heats up, so do things in terms of NEOHIO events!

Our **Tire Rack Street Survival** event on **July 25th** is **CANCELED**. We made this decision due to a lack of students enrolled. We plan to go forward with our next one on **October 31st** at **Drive Team in Peninsula**. Please, please, please talk this up!

This is an outstanding skills training opportunity for drivers between the time they get their Learner's Permit and graduate college. If you have young drivers or know people who do, please have them look into registering at streetsurvival.org. The event is now available under **Ohio**. Many volunteers will be needed to make the program successful. If you're interested, please reach out to Bryan Hall at bryan_hall5000@sbcglobal.net. Look for more information on page 14 in this Blower.

The **Leroy Miata Challenge Round 3** is scheduled at the **Captain's Lot** in Eastlake on **July 25th** and **Solo Points Event #3** is at the same venue on **August 8th**. **Leroy Miata Challenge Round 4** moves to **Dragway 42** on **August 9th**. Next up is a **Solo Novice Day** on **August 22nd** and **Solo Points Event #4** on **August 23rd** back at the **Captain's Lot**. Look for more information elsewhere in this issue.

The **Johnny Appleseed Rally** and **Spirit of '26 Rally** are not going to happen this year. However, we have a fun Gimmick Rally experience on **August 2nd**. The **Cleveland Mural Rally** by Rallymaster Jeff Arendas will start at Merwin's Wharf and is open for registration on MSR at this [link](#). Look for additional information elsewhere in this issue of the Blower.

The last weekend of August will be our big multi-program event at **Nelson Ledges Road Course**! Thursday night and Friday (**August 28th**) will be our **Alternative Drivers School** for those aspiring to earn a SCCA Competition license. Friday afternoon, our School attendees will be joined by experienced racers for a half day **Test & Tune** session. **August 29th-30th** (Saturday to Sunday) NEOHIO and Steel Cities present **The 74th Annual Cumberland Races**, a Dual Divisional Road Race event on both the NEDIV and Great Lakes Division Championship calendars. This will be a double points event for all NEOHIO drivers competing for a NEOHIO Region Championship!

To finish the weekend up, Sunday **August 30th** will include an **OPTT Time Attack** event for Intermediate and Advanced Time Trial competitors. To our chagrin, this will be the only OPTT event hosted by NEOHIO Region this year.

In this issue we have published an updated view of the year ahead on page 10. Items highlighted in BLUE are confirmed NEOHIO Region events. Items highlighted in GREEN are confirmed to the best of our knowledge.

Our sponsorship program continues to grow. This is important because these businesses support our region, making events more robust and affordable. Please look for our sponsors and advertisers throughout the Blower and continue to support them so they continue to help us.

Finally, it's not too soon to start thinking about elections for Officers and Trustees. This is a club and not a business, so we need volunteers to help with all of our programs. If you enjoy our events, please consider reaching out to a Trustee or Officer to help keep them going strong. Even if you're not interested in running for office, your help in any capacity will go a long way to continuing the great heritage of NEOHIO Region.

In the meantime, I look forward to seeing you at an event soon!

THANK YOU Carbotech Brakes!
Longtime supporter of Neohio
Region and a major sponsor of our
events at Nelson Ledges!

Street Survival: Bryan Hall reported the following:

Good news – we will be holding two events this year!

October 31, 2026 at Drive Team.

July 25, 2026 at LCCC.

With two events Neohio gets a bigger cut of the Street Survival money.

Looking for a \$3,000 budget (would break even with 10 entries per event). Bill Crowe moved to approve a \$3,000 budget for Street Survival, seconded by Rachel Rininger, and approved without objection.

Registration is open on the Street Survival website.

Road Racing and Time Trial: Dave Lancaster reported the following:

August race weekend shaping up as follows:

Friday August 28, 2026 – driver's school and test day put on by Steel Cities.

Saturday August 29 – divisional and pursuit race by Neohio.

Sunday August 30 – morning divisional race and time trial.

Need to work on the sups.

Road Rally: Greg Lester reported the following:

Greg would like a budget of \$1,200 per event for two August rallies.

Bill Crowe moved to approve a \$2,400 budget for two rallies (August 22 & 23), seconded by John McFarland, and approved without objection.

Solo: Bob MacDonald reported the following for Jonathan Staggs:

All events are up on MSR.

Sold out the first two dates (40 max. per event).

Might switch a June or July date to the I-X Center if it is still available.

Communications/Website: Bill Snow reported the following: fill out the promotion form.

Intro to Motorsports: Bob MacDonald reported the following:

Estimating a \$5,225 net loss - \$6,000 was budgeted.

Old Business:

Bob MacDonald has instructed the GLD Champ Series to remove our cancelled October event from their calendar.

New Business:

Brandon Anderson has looked at a program called "Kurbz" as a possible replacement for MSR. National is supposedly working on its own system too.

Brenda Nick noted that workers are not getting recognition in the Blower for working away events, e.g. T&S was just at the Glen.

Adjournment: A motion to adjourn was made by John McFarland, seconded by Kurt Stevens, meeting adjourned at 8:35pm.

Cleveland Murals Rally, Sunday, August 2, 2026:

Neohio Region, SCCA invites you to come explore a facet of Cleveland, Ohio's vibrant public art scene on the **Cleveland Murals Rally**, Sunday, August 2, 2026. This event will be run as a fundraiser for **Slow Roll Cleveland** (slowrollcleveland.org), a volunteer-led organization focused on community engagement through its weekly group bicycle rides.

The "competitive" portion of the rally will be a self-guided tour of some of Cleveland's 150+ public murals. Each team will earn 1 point for visiting each of the murals shown on a supplied Google Map, within a specified time "window". Bonus points may be earned by visiting a few specified sites, and uploading team "selfies" to an online group photo album.

The rally starts and finishes at Merwin's Wharf, 1785 Merwin Ave., Cleveland, OH 44113 (Irishtown Bend, Cleveland "Flats"). Come out and enjoy a relaxing day exploring some of Cleveland's lesser known sites, and sharing a great riverside meal with friends after. More information about this event is available, and registration will open here shortly: msreg.com/CLEMUR26

SOLO PROGRAM UPDATE

Attention Autocross/Solo competitors! With the changes at the IX Center, NEOHIO's Solo Team has moved most of our events to The Captain's Lot at Eastlake, OH. Due to the smaller size of this venue, the decision has been made to create two separate series of competition events. The Leroy Miata Challenge series has grown to about 60 competitors, so you will see dates on the calendar that are identified as LMC for those. All other classes are invited to attend the events on the calendar labeled as Points Events. This plan is intended to manage space in the paddock and maximize the number of runs competitors get. Please note that some LMC events are at Dragway 42 and Lake Erie Speedway in conjunction with other regions/clubs. For more information, contact Jonathan Staggs at Jonathan.staggs@leroyengineering.com

Have You Ever Had a Close Call Driving?

The Tire Rack Street Survival® Program is meant for you!

Motor vehicle accidents are the number one cause of death for teenagers in the US. In fact, more teens die as a result of motor vehicle crashes than from drugs, guns and violent crime combined.

The Tire Rack Street Survival® program is a teen safe driving program designed to go beyond driver's education and give young drivers the hands-on experience and tools to become safer, smarter drivers. The program provides:

- Trained, qualified in-car driving instructors and classroom educational experience for each student
- Hands-on educational driving experience in real-world situations teaching car safety and control in your own vehicle
- Challenging driving situations, including skid control and emergency lane change on closed courses allowing students to experience abnormal vehicle behavior in a safe and supervised environment
- A greater sense of awareness regarding sharing the road with other vehicles and focusing on controlling the student's own vehicle

Neohio Sports Car Club of America is bringing this program to Northeast Ohio twice in 2026:

October 31st at DriveTeam in Peninsula from 8 AM to 4 PM

The registration fee is \$175 and includes continental breakfast and lunch.

The program is open to drivers 15 years old through college on a learner's permit or a regular driver's license.
