## The Starting Line

REport by Dave Lancaster

Dear NEOHIO Members,

When I first wrote this month's RE letter I was very excited to be announcing a very busy schedule of Events. Due to the COVID-19 Pandemic this has changed. We will do the best we can to keep our membership updated as things develop.

The first date we had for you was the announcement of some Tire Stacking/Track Clean-up days. These have been cancelled until further notice. What I can say is the Track and the Nelson Council have been working hard to make the improvements needed to bring more SCCA activities to the track and at some point in the near future we will call on our members to help out.

As of today March 17, 2020 here is the list of activities our region has planned:

1. **Postponed - April 4<sup>th</sup> and April 18<sup>th</sup>: Nelson Ledges Tire Stacking/Track Clean up days. Starting at 8:00 am.**

The Nelson Ledges Council was hosting two Tire Stacking/Track Clean-ups prior to an SCCA. Club Race Track Inspection. NEOHIO Members interested in the seeing competition racing back at Nelson Ledges Raceway should attend. These dates will be rescheduled as more information is available.

2. **April 25<sup>th</sup>: Tire Rack Starting Line School @ Captains Club Parking Lot in Eastlake, OH.**

This program offers enthusiasts at every level a professional, all-inclusive entry into the sport of performance driving and the chance to have some fun with their cars.

3. **May 5<sup>th</sup>: May Membership and Pre-Season meeting @ 7:00PM.**

The May BOT Meeting has been changed to a Pre-Season Membership Meeting. Presentations from the Event Chairs discussing our activities scheduled for the Summer of 2020. Location: TBD.

4. **May 16<sup>th</sup>: Ohio Milk Run Rally Location: Bob Evans Dover, OH.**

Challenge yourself by participating in a 150 mile route winding

Saturday will be a Time Trial building on the success of 2019's Event. Sunday will be a non-timed Track Event with run groups for Novice, Experienced and Club Race Cars.

Detailed information on the above activities are available on the NEOHIO Region's website and NEOHIO Region's Facebook page.

In March we made some personnel changes by adding members to key positions for the region.

1. Pat Prill has been appointed by the Board of Trustees to Chair the 2020 NEOHIO Banquet. She has formed a committee to assist her which includes: Bob Roberts, Lynn Roberts, and Betsey McIntyre. The Banquet Committee has created a survey which was sent to your email on record. Please take a minute to respond so we can improve on this event to meet our changing membership desires. Your opinion counts!
2. Jenifer Dietz has accepted the position of Social Media Chair. This is a new position for NEOHIO Region which was highly recommended by the SCCA at the National Convention. Jennifer is going to be a great addition to our team.
3. Daniel Griewich has joined the NEOHIO Board of Trustees replacing the vacated spot by Maddie Kraizel. Dan has been a regular at our Board Meetings always contributing and volunteering to support our events. For fun he is an active Time Trial and Solo Competitor. Dan recently made the trip to Ft. Wayne, IN for the Great Lakes Divisional Spring Training learning new strategies to help with our Region and Events. We look for his continued contributions to the region.

Building on a great first event in 2019, Andrew Grannis and the Rally Cross Team are hosting two NEOHIO Rally Cross Events which will be part of the Great Lakes Divisional Rally Cross Championship. The dates are June 20, 2020 and October 18, 2020.

The Solo team has published their schedule with another full season of events at the Captains Club Parking Lot in Eastlake, OH. Thanks to Jason and his team for consistently organizing this program and partnering with the National SCCA Office and introducing the Tire Rack Starting Line School to our area in 2020.

In closing, it has been great to see the increased activity and support in the NEOHIO Road Rally Program. The Winter Rally was well attended and the Ohio Milk Run Rally is scheduled for May 16<sup>th</sup>. Greg Lester and The Rally Team are working toward announcing a third event to us shortly.

Lowell was a long time Neohio member and a member of Lake Erie Communications since 1996. As a F&C flagger, Lowell flagged at numerous events at both Mid-Ohio and Nelson Ledges. He was a fixture at our events and always was there to lend a hand, train new flaggers or be there as a friend. Bill Armitage shared that Lowell's stories about his trips to local dirt tracks at night after flagging a full day were his favorite things to hear. He was a kind and generous person that will truly be missed trackside. Please keep his wife, Susan and the rest of his family in your thoughts. Godspeed, Lowell

**Time Trial:** Bob MacDonald noted our Divisional dates at Nelson Ledges as currently scheduled are June 6 & 7 and July 11 & 12. He noted that National recommends only a one day time trial with a one day track day. Bob Nick added that Kevin Grier (transponder rental) cannot do the June date and we would need to book soon to reserve the July date. We would therefore need to make other arrangements for June - would the Richta timing system work?

**Hall of Fame:** Jeff Blumenthal stated they are all set for the Banquet.

**Nelson Council:** No separate report, see Time Trial above.

**Old Business:** Dave Lancaster submitted the list of awards presenters for the Banquet.

**New Business:** Dave Lancaster noted Maddy Oswalt's emailed resignation from the Board of Trustees and requested suggestions for her replacement. He also noted there were Track Night in America grants available from National. He suggested possible requests and asked for others.

**Adjournment:** Motion to adjourn made by Betsy McIntyre, seconded by Bob Nick, meeting adjourned at 9:03pm.

Next Meeting to be 7:00pm March 3, 2020 at the Winking Lizard, Bedford Heights.

Respectfully submitted,

Ray Glover

## Coronavirus Updates

---

“The NEOHIO Region of SCCA, Inc. is monitoring the COVID-19 developments and concerns daily. We have posted our April and May schedules and may need to cancel these events within a short notice to our membership and participants. We will do our best to update the NEOHIO Region Website and Facebook pages regularly. You may also contact the Event Chair with any questions about possible cancelations.”

### **March 12, 5:00pm update:**

Sports Car Club of America® leadership continues to monitor developments around COVID-19, also known as coronavirus. While many spectator-based events around the U.S. have been postponed, SCCA’s participant-based activities are different. As such, SCCA’s leadership will not reschedule or cancel any events at this time.

SCCA leadership also recognizes that COVID-19 concerns are not the same across all of the Club’s 115 regions. Therefore, SCCA leadership advises that those conducting SCCA events in the coming days and weeks closely follow policies set forth by the Centers for Disease Control and Prevention, as well as the direction or mandates of state, county and municipality officials. The most common local mandate that could affect SCCA events is a limitation on gathering size, although many of these may be specific to indoor activities.

While all members are welcome at Club events, SCCA leadership asks that anyone who does not feel well or shows signs of fever please abstain from attending events. Additionally, SCCA leadership advises Club members to analyze each individual situation and make their own decisions on whether or not to participate in any given SCCA activity.

For those who are operating events, SCCA leadership advises that a proactive approach be taken, and additional measures be deployed to minimize the spread of any viruses. Those measures include but are not limited to:

- High-traffic worker positions (registration, waivers, etc.) should be issued nitrile gloves (preferred over latex due to allergies)
- Equipment with high-contact rates (radios, headsets, clipboards, etc.) should be sanitized before and between uses when they are shared.
- Events where loaner helmets are provided, balaclavas (head socks) and disinfectant spray should be offered.
- Any driver’s meetings normally held indoors should be conducted outside wherever possible.
- Minimize direct, physical contact between event attendees as much as possible. This includes, but is not limited to, event social functions.
- Experts have repeatedly stated that the best defense is to practice good personal hygiene, with regular hand washing being highly effective at preventing the spread of viruses.

The safety of participants, staff and spectators at SCCA events is always a high priority. SCCA leadership will continue to monitor the CDC and other official national recommendations and may adjust plans accordingly based on further updates and/or restrictions imposed. Check back to SCCA.com for future updates.
